

DEMONSTRATION OF COMPLIANCE WITH 47 C.F.R. § 73.3555(c)

By this application, the parties are seeking FCC consent to the voluntary assignment of license of WVIV-FM, Highland Park, Illinois from Big City Radio-Chi, L.L.C. to HBC License Corporation (“HBC L/C”). HBC L/C is also concurrently filing an application to acquire WJTW(FM), Joliet, Illinois. HBC L/C is wholly-owned by Hispanic Broadcasting Corporation (“HBC”), a subsidiary of Univision Communications Inc. (“UCI”).¹

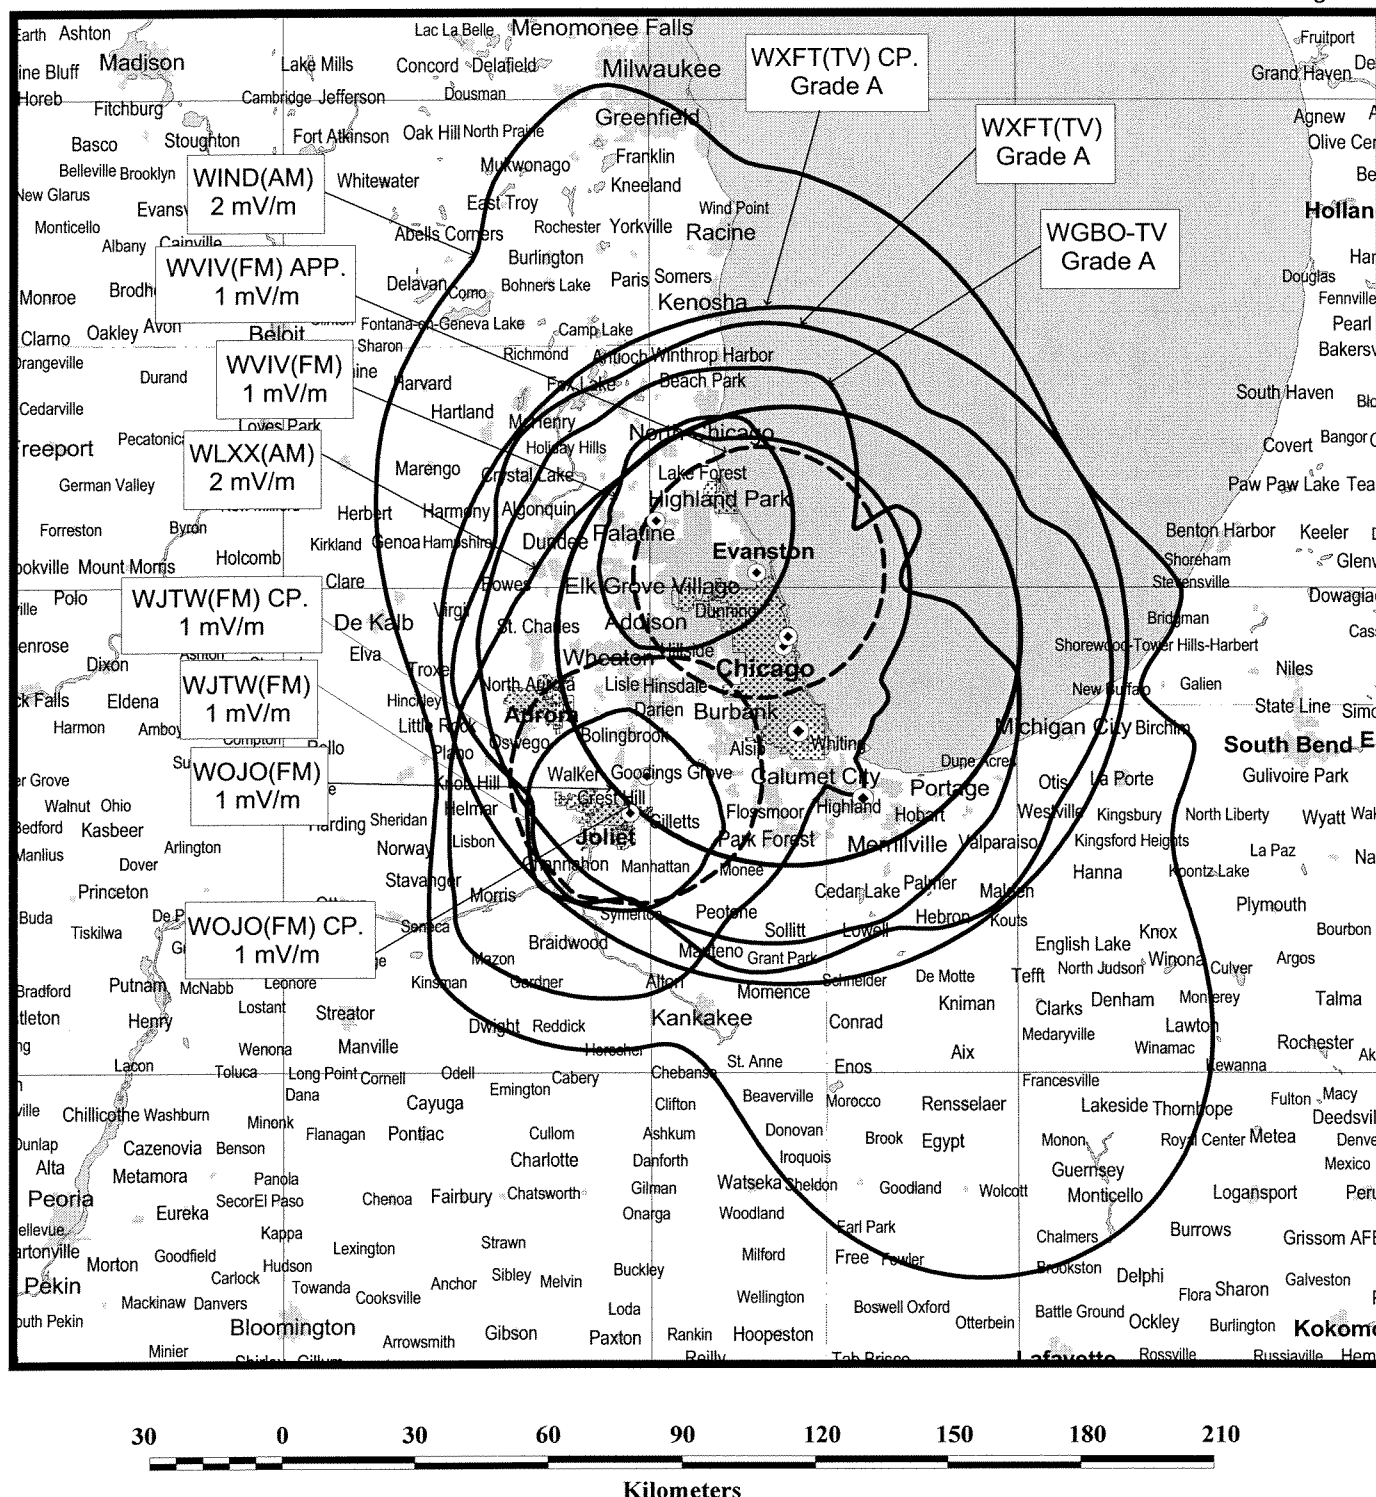

UCI, through subsidiaries, owns and operates two television stations located in the Chicago DMA, WGBO-TV, Joliet, Illinois, and WXFT(TV), Aurora, Illinois. HBC, through subsidiaries, owns three radio stations located in the Chicago radio metro market, specifically, WIND(AM), Chicago, Illinois, WVIV(AM) (formerly WLXX(AM)), Chicago, Illinois, and WOJO(FM), Evanston, Illinois.

As shown in the attached map, the Grade A contours of WGBO-TV and WXFT(TV) wholly encompass all of the radio station communities of license. In addition, the 2 mV/m contours of WIND(AM) and WVIV(AM) wholly encompass the communities of Joliet and Aurora, and the 1 m V/m contour of WJTW(FM) wholly encompasses the community of Joliet, Illinois. Accordingly, the cross-ownership rule is triggered with respect to all of the stations.

Pursuant to the Commission’s radio-television cross-ownership rule, 47 C.F.R. § 73.3555(c), a single entity may own or control up to two television and six radio stations where there are at least 20 voices remaining in the market post-merger. As shown in the attached voice study, there will be approximately 48 voices remaining post merger. Accordingly, common ownership of radio stations WVIV-FM, WJTW(FM), WIND(AM), WVIV(AM), WOJO(FM), and television stations WGBO-TV and WXFT(TV) is permissible.

¹ The instant application reports the ownership structure of HBC following the pending HBC/Univision Merger. See Exhibit 10 for explanation.
