And

Washington State University  
Pullman, WA 99164  
Dave Brawdy, Chief Telecommunications Engineer

Dear Mr. Brawdy:

We understand that your organization, Washington State University, plans to apply for an amendment to its construction permit for noncommercial educational FM station KSWs-FM near Chehalis, Washington to modify its Horizontal ERP.

The proposed specifications are:

Freq: 88.9 MHz channel 205  
ERP : 1.0 kW, non-directional circularly polarized  
Location: Crego Hill 46-33-16N 123-03-26 W

KOIN-TV has reviewed the information you supplied on 7/30/2009 and it appears that there will not be any interference caused to KOIN-TV from the proposed new KSWs-FM transmitter. We hereby give our consent to the grant of your application subject to the following conditions:

1. We reserve the right to withdraw or modify this consent if we, in good faith, conclude that the application or any amendment poses a significant threat of interference to our viewers.

Sincerely,

DAVID BIRD  
KOIN-TV
