Dear Applicant:

We are pleased to inform you that upon review of your application for exempt status we have determined that you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code. Contributions are deductible under section 170 of the Code. You are also qualified for a charitable deduction for tax deductible bequests, devises, transfers or gifts under section 2522 of the Code. Because this letter could help resolve questions regarding your exempt status, you should keep it in your permanent files.

Organizations exempt under section 501(c)(3) of the Code are classified as either public charities or private foundations. We determine whether you are a public charity under the Code section(s) listed in the header of this letter.

Please see enclosed Publication 4221-PC, Compliance Guide for Charities, for some helpful information about your responsibilities as an exempt organization.
