RE: FCC Auction No. 81, Settlement Agreement Between
Doris Hayden/President [sic] Caribou County TV Association
(FCC File No. BNPTT-2000801ACF) and
Azteca Broadcasting Corporation
(FCC File No. BMAPTTL 20000831CJX)

Dear Mr. Green:

On behalf of Azteca Broadcasting Corporation ("Azteca"), this letter is a written confirmation of our agreement to resolve the predicted interference between the mutually exclusive applications not currently addressed via terrain shielding showings, of Doris Hayden/President [sic] Caribou County TV Association ("Caribou County") for Channel 49 Soda Springs, ID (FCC File No. BNPTT-2000801ACF), and Azteca for KSVN-CA, Channel 49, Ogden, UT (FCC File No. BMAPTTL 20000831CJX). This letter sets forth the specifics we discussed via telephone on August 8, 2001, regarding a minor change in Caribou County's engineering to add an 'offset.'

The Agreement is as follows:

1. Caribou County will amend its application to add an offset to "zero." This will protect against interference with KSVN-CA, which has already submitted an offset of "minus."
