### **STATEMENT RE LOCAL PUBLIC NOTICE**

1. Sections 73.3580(c) and 73.3580(d) of the Commission's Rules require that the proposed assignor of an operating station give local public notice of the filing of an FCC Form 314 assignment application via newspaper publication and via announcements broadcast by the station or stations to be assigned.

2. In the case of stations KYRT and KZZM, the facilities are not operating. Rather, they are dark, with Dark Authority per § 73.1740(a)(4). Under the circumstances, the proposed Assignor, Munbilla Broadcasting Properties, Ltd. (*MBPL*), interprets § 73.3580 to require only dissemination via newspaper appearance of the local public notice of the application's filing. MBPL is certifying its compliance with the local-public-notice requirements of § 73.3580, in response to Item 7 of § II of this application, in light of that interpretation of the rule.
