

EXHIBIT #5

WVRO-LP ASSIGNMENT OF LICENSE

This exhibit serves to act as an understanding of the assignment of license of WVRO-LP from current holder FLOWING STREAMS CHURCH to holder WVRO RADIO INC.

This transfer is made in order to provide a more full-service, community-based outreach for WVRO-LP as an independent entity.

In the past, WVRO-LP has served as a community outreach under the ministry operation of FLOWING STREAMS CHURCH and has been subject to that organization's board and management. This change of status serves to separate the station, granting it independent control, with its own board and management.

All equipment, leases and obligations related to WVRO-LP are being transferred from FLOWING STREAMS CHURCH to WVRO RADIO INC, under no obligation.
