To Whom It May Concern:

Jonathan Holmes approached the Eupora First Baptist Church Deacon Board in a regular Scheduled meeting to earlier to discuss the possibility of locating a Low Power Radio Station at our facility at 76N. Gold Street in Eupora.

After his presentation a motion was made, seconded and unanimously carried to allow Voice of Eupora to operate from the empty Common Ground Sunday School on the third floor. We will assist in attaching a pole that will extent to the proper height from the top of our Church building.

First Baptist Church Deacon board and it's Pastor and members offer to support this community cause in any way possible

Yours truly,

Lloyd Young
