The Trustee shall notify the Agent and the De Luna Trust immediately of the parties' execution of any Sale Agreement and shall, within two (2) calendar days after its execution, provide a copy of such executed Sale Agreement and all related agreements (such as an escrow agreement), along with all schedules, exhibits, and other attachments thereto, to the Agent and the De Luna Trust.

5.3 Governmental Authorization. The Trustee shall submit and diligently prosecute appropriate applications to such governmental authorities as any Sale Agreement requires, including applications to the FCC requesting the necessary approval to assign each Station's FCC licenses or to transfer control of any of the Loan Parties.

5.4 Existing Sale Agreements. In the event that any Loan Party has entered into an agreement or letter of intent to sell any of the Stations to an unaffiliated third party (an “Existing Sale Agreement”), but such sale has not been consummated prior to Trust Closing, such Loan Party shall assign its rights under such Existing Sale Agreement to the Trustee at the Trust Closing and Trustee shall thereafter assume the obligations of such Loan Party thereunder.

5.5 Trustee Efforts. The Trustee shall maintain records of the efforts it undertakes to sell the Stations until the sale of all the Stations have been consummated. The Trustee shall provide the Agent and the De Luna Trust with monthly reports setting forth the Trustee’s efforts to sell the Stations as contemplated by this Agreement. Such reports shall be designated confidential, shall include the name, address and telephone number of each person who, during the preceding month, made an offer to acquire, expressed an interest in acquiring, entered into negotiations to acquire, or was contacted or made an inquiry about acquiring, any interest in the Stations, and shall describe in detail each contact with any such person during that period.

5.6 Application of Sale Proceeds.

(a) Prior to the application or distribution of any Sale Proceeds to any Beneficiary, the Trustee shall first pay any Trust Expenses that are due and payable at such time.

(b) Following the payment of the Trust Expenses, and to the extent such Sale Proceeds constitute proceeds of the sale of Petaluma Collateral, the Trustee shall apply such Sale Proceeds as follows, in accordance with the Intercreditor Agreement:

(i) FIRST, to Petaluma, to pay the Petaluma Obligations;

(ii) SECOND, to the Agent, to pay the Obligations to the Lender Group; and

(iii) THIRD, any remaining amount shall be distributed to the De Luna Trust in accordance with their rights under other applicable law.

(c) Following payment of the Trust Expenses, and to the extent such Sale Proceeds do not constitute proceeds of the sale of Petaluma Collateral, the Trustee shall apply the Sale Proceeds as follows:

(i) FIRST, to the Agent, to pay the Obligations to the Lender Group; and

(ii) SECOND, any remaining amount shall be distributed to the De Luna

Trust.

(d) For the avoidance of doubt, no payment or distribution shall be made to the De Luna Trust until the Obligations have been satisfied in full and the Trustee shall have received a certificate (or certificates), executed by a duly authorized officer of the Agent, stating that the Obligations have been satisfied in full. The Agent shall provide the certificates required under this Section promptly upon satisfaction in full of the Obligations.

5.7 Distributions; Withholding. The Trustee shall make any payments or distributions pursuant to Section 5.6 promptly, but in no event more than two (2) Business Days, after receipt by the Trust of any Sale Proceeds. The Trustee may withhold from amounts payable or distributable to any

Beneficiary any and all amounts, determined in the Trustee's reasonable sole discretion, required to be withheld by any law, regulation, rule, ruling, directive or other governmental requirement. Notwithstanding anything herein to the contrary, prior to making any payments or distributions to the Beneficiaries, the Trustee may retain such amounts as are reasonably necessary (i) to meet contingent liabilities, (ii) to pay reasonable estimated Trust Expenses and (iii) to satisfy other liabilities incurred or assumed by the Trust (or to which the Trust Assets are otherwise subject), all for the term of the Trust and in accordance with this Trust Agreement.

Article VI TERMINATION

6.1 Irrevocable Agreement. This Trust shall be irrevocable as to each of the Stations held by the Trust until:

- (a) such time as the Trustee causes the Stations to be sold to pursuant to one or more Sales Agreements and with the prior approval by the FCC; and
- (b) all obligations of the Trustee under this Trust Agreement and any agreement to sell the Stations pursuant to any Sale Agreement have been fully performed or waived.

6.2 Termination of the Trust.

(a) The Trust will terminate upon (i) the sale or liquidation of all of the Trust Assets or the assets of the Loan Parties, pursuant to appropriate approvals issued by the FCC, which shall be in full force and effect and the time for rehearing, reconsideration, review, stay or appeal by or to the FCC or any court under the explicit provisions of the explicit Rules and Regulations which provide for such rehearing, reconsideration, review, stay or appeal shall have expired (as verified by an opinion of FCC counsel); (ii) the application of all Sale Proceeds in accordance with the terms of this Trust Agreement; and (iii) the performance and satisfaction (or waiver by the Primary Beneficiary Agent) of the Trustee's duties and obligations under this Trust Agreement, any Sale Agreement or any Existing Sale Agreement and the dissolution of all Loan Parties whose membership interests are still held by the Trustee. The Trustee shall not unduly prolong the duration of the Trust and shall at all times endeavor to resolve, settle or otherwise dispose of all claims that constitute Trust Assets, to effect the distribution of the Trust Assets in accordance with the terms hereof, wind-up the affairs of the Trust, dissolve the Loan Parties and terminate the Trust as soon as practicable.

(b) The De Luna Trust shall have the right, exercisable only prior to the Trust Closing, to terminate the Trust unilaterally in the event that the Obligations have been paid in full, at which time, the Luna Stock may be retained by the De Luna Trust. The Trustee and the Agent shall execute and deliver to the De Luna Trust such documents as are necessary to effectuate the foregoing, including a termination of the escrow agreement that is being executed by De Luna, the De Luna Trust, and the Agent concurrently herewith. In addition, if (and only if) the Obligations have been paid in full such that the De Luna Trust is the only remaining Primary Beneficiary, nothing herein shall prevent the De Luna Trust, on the one hand, and the Trustee, on the other hand, from entering into arrangements regarding the remaining Trust Assets that are satisfactory to such parties.

Article VII
LIMITATION OF LIABILITY AND INDEMNIFICATION

7.1 Limitation of Liability; Indemnification. The Trustee shall perform the duties and obligations imposed on the Trustee by this Trust Agreement with reasonable diligence and care under the circumstances. In no event shall the Trustee be personally liable for any claim asserted against the Trust for any reason whatsoever, except for such of its own acts as shall constitute willful misconduct, gross negligence, willful disregard of the Trustee's duties or material breach of this Trust Agreement. Except as aforesaid, the Trustee shall be defended, held harmless and indemnified from time to time by the Primary Beneficiary, against any and all losses, claims, costs, expenses and liabilities to which the Trustee may be subject by reason of the Trustee's execution in good faith of the Trustee's duties under this Trust Agreement. The Trustee's officers, employees, agents (including the Trustee's Professionals) shall be likewise defended, held harmless and indemnified. Without limiting the generality of the foregoing, the Trustee shall have no liability to any Beneficiary on account of the Trustee's investment or non-investment of any Trust Assets or any losses with respect to any such investments of Trust Assets, provided such investments are made, or the Trustee's decision not to invest any Trust Assets in any case is made, in accordance with the terms of this Trust Agreement.

7.2 Reliance by Trustee. Except as otherwise provided in Section 7.1:

(a) the Trustee may rely, and shall be protected in acting upon, any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) the Trustee may consult such Trustee's Professionals as may be selected by it, and the Trustee shall not be liable for any action taken or omitted to be taken by it in accordance with the advice of such Trustee's Professionals; and

(c) persons dealing with the Trustee shall look only to the Trust Assets to satisfy any liability incurred by the Trustee to such person in carrying out the terms of this Trust Agreement, and the Trustee shall have no personal obligation to satisfy any such liability.

Article VIII
TAX MATTERS

8.1 Classification. For federal and state income tax purposes, it is intended that the Trust be classified as a grantor trust subject to the provisions of Subchapter J, Subpart E of the Code, that the De Luna Trust and each of the Loan Parties will continue to be classified as disregarded entities, and that De Luna Trust will continue to be treated as the owner of all the assets, and as the obligor under all the liabilities, of the Loan Parties. Accordingly, De Luna Trust acknowledges and agrees that each item of income, gain, loss, deduction or credit attributable to the Trust Assets, including any such items attributable to the operations of the Loan Parties or the sale of the Trust Assets, will be included by De Luna Trust in computing its taxable income or loss and available credits.

8.2 Tax Returns. The Trustee will keep, or cause to be kept, all appropriate books and records relating to the receipt and disbursement of all monies under this Trust Agreement or any agreement contemplated hereby, and will furnish to De Luna Trust such information with respect thereto as shall be necessary to enable De Luna Trust to prepare all required tax returns. The Trustee also will cause each Loan Party to furnish to De Luna Trust such tax and financial information as shall be

necessary to enable De Luna Trust to compute its taxable income or loss in accordance with Section 8.1 hereof. De Luna Trust will prepare, or cause to be prepared, all tax returns required to be filed by or with respect to the Trust or by the Loan Parties. The Trustee will execute and file, or cause to be executed and filed, the tax returns so prepared by De Luna Trust unless the Trustee reasonably determines that such returns do not accurately reflect the Trustee's receipt and disbursement of moneys under this Trust Agreement.

8.3 Indemnification. The De Luna Trust and De Luna, jointly and severally, shall indemnify the Trustee against any and all income taxes, and any interest and penalties imposed with respect thereto, attributable to the activities of the Trust or the Loan Parties, including any taxes, interest and penalties assessed with respect to any income derived from the operations of the Loan Parties or the sale of the Trust Assets.

9.2 Intention of Parties to Establish Trust. This Trust Agreement is intended to create a trust, and the Trust created hereunder shall be governed and construed in all respects as a trust.

9.3 Preservation of Privilege and Defenses. In connection with the rights, claims, and causes of action that constitute the Trust Assets, any attorney-client privilege, work-product privilege, or other privilege or immunity attaching to any documents or communications (whether written or oral) transferred to the Trust shall vest in the Trustee, and the Trustee is authorized to take all necessary actions to effectuate the transfer of such privileges and available defenses.

9.4 Cooperation. The De Luna Trust and De Luna shall provide the Trustee with copies of such of their books and records as the Trustee shall reasonably require for the purpose of performing its duties and exercising its powers hereunder. Moreover, the De Luna Trust and the Loan Parties shall from time to time, at the reasonable request of and without further cost or expense to the Trustee, execute and deliver such other instruments of conveyance and transfer and take such other actions as may reasonably be requested in order to more effectively consummate the transactions contemplated hereby to vest in the Trust good title to the Trust Assets.

9.5 Investment Company Act. The Trust should not be considered, and the Trust does not and will not hold itself out as, an “investment company” or an entity “controlled” by an “investment company,” as such terms are defined in the Investment Company Act of 1940, as amended.

9.6 Non-transferability of Beneficial Interests; Interests Beneficial Only; No Voting Rights; Successors.

(a) All interests of the Beneficiaries shall be uncertificated and non-transferable, except upon the death of a Beneficiary that is a natural person or by operation of law.

(b) The rights to a beneficial interest hereunder shall not entitle any Beneficiary to (i) any title in or to the Trust Assets as such (which title is vested in the Trustee) or to any right to call for a partition or division of Trust Assets or to require an accounting, or (ii) any voting rights with respect to the administration of the Trust and the actions of the Trustee in connection therewith.

9.7 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without reference to the conflicts or choice of law principles thereof.

9.8 Headings. Sections, subheadings and other headings used in this Trust Agreement are for convenience only and shall not affect the construction of this Trust Agreement.

9.9 Interpretative Provisions.

(a) All references to the plural herein shall also mean the singular and to the singular shall also mean the plural unless the context otherwise requires.

(b) All references to any person shall include its successors and assigns.

(c) The words “hereof”, “herein”, “hereunder”, “this Trust Agreement” and words of similar import when used in this Trust Agreement shall refer to this Trust Agreement as a whole and not any particular provision of this Trust Agreement and as this Trust Agreement now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced.

(d) The word “including” when used in this Trust Agreement shall mean “including, without limitation.”

9.10 Amendment and Waiver. If at any time it is deemed advisable for the parties hereto to amend this Trust Agreement, it may be amended by an agreement in writing executed by all the parties hereto, provided there has first been obtained any consent by the FCC necessary in connection with any such substantial amendment if such approval is required by the Rules and Regulations. Insignificant amendments not requiring FCC consent shall be reported promptly to the FCC, if so required by the Rules and Regulations.

9.11 Assignment. This Trust Agreement may not be assigned by any party without the prior written consent of the Agent.

9.12 Irrevocability. The Trust is irrevocable, but is subject to amendment as provided for herein.

9.13 Severability. Wherever possible, each provision of this Trust Agreement shall be interpreted in such a manner as to be effective and valid under applicable law, but if any provision of this Trust Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Trust Agreement.

9.14 Counterparts. This Trust Agreement may be executed by one or more of the parties hereto on any number of separate counterparts, each of which shall be deemed an original and all of which, taken together, shall be deemed to constitute one and the same instrument.
