

**COMPLIANCE WITH 47 C.F.R. § 73.3555(c): THE RADIO-TELEVISION
CROSS OWNERSHIP RULE**

Millennium Atlantic City License Holdco, LLC (“Millennium Atlantic City”), which is indirectly wholly-owned and controlled by Millennium Radio Group, LLC (“Millennium Radio”), seeks prior FCC consent to acquire broadcast station WKOE(FM), Ocean City, New Jersey from Ocean Communications Broadcasting, L.L.C. Alta/Millennium Corp., a member of Millennium Radio, has an attributable interest in WWSI(TV), Atlantic City, New Jersey. The Grade A contour of WWSI(TV) wholly encompasses Ocean City. Accordingly, this exhibit is being submitted to demonstrate that common ownership of these two broadcast stations complies with the Commission's radio-television cross-ownership rule, 73 C.F.R. §73.3555(c).

Pursuant to the radio-television cross-ownership rule, a party may own up to two television stations and up to four radio stations in any market where at least 10 independently owned media voices remain after the combination is effected. The proposed common ownership of WWSI(TV) and WKOE(FM) is in accord with this rule. WWSI(TV) and WKOE(FM) are located in the Philadelphia, Pennsylvania DMA and the Atlantic City – Cape May, New Jersey radio metro market. There are at least 27 independent voices in the market (19 independent television voices, 6 additional independent radio voices, and 2 newspapers). *See* Attachments 1 hereto. Accordingly, as there are more than 10 independent voices in the market, common ownership of one television station and one radio station in the market is permissible.
