**Re: KPJP(AM), Greenville, California (Facility No. 92527)  
Notification of Silent Status and Request for Silent STA**

Dear Ms. Dortch:

Relevant Radio, Inc. ("RRI"), by its counsel, hereby informs the Commission that AM radio station KPJP, Greenville, California (Facility No. 92527) ("Station") has been off the air since November 5, 2021. Due to the Dixie wildfires that ravaged many parts of California during the latter part of Summer 2021, the power lines that serve the Station's transmitter site were badly damaged. The Station had been operating pursuant to a generator until November 5, 2021, but the Station no longer can remain on the air due to technical reasons. RRI has been informed by the landlord of the Station's licensed transmitter site that repairs to the power lines are expected to be completed by the end of June 2022.

For the foregoing reasons, RRI respectfully requests silent authority associated with the Station until repairs to the power lines can be completed. RRI will inform the Commission when the Station is able to resume operating pursuant to the terms of its license.

Please direct any questions regarding this matter to the undersigned.

Sincerely,  
  
Mark B. Denbo  
Counsel to Relevant Radio, Inc.
