

Exhibit 16

Applicant will rebroadcast the signal of commercial FM Station KMTS, Glenwood Springs, Colorado. The proposed translator is outside the protected service contour of Station KMTS and, as such, is not considered a fill-in translator. Applicant has reviewed sections 74.1232(D) and (E) of the rules and hereby states that he has no interest in, or any connection with the primary FM Station as the terms interested and connected parties are defined in sections 74.1232(D) and (E) of the commission rules.
