Contour protection to Station KYRV (FM) (Facility ID 83321), Concordia, MO is not required in light of the fact that according to CDBS, KYRV has been Silent since March 5, 2013, and there is no record of KYRV having returned to on-air status since that date, nor, for that matter, attempting to renew its silent STA (BLSTA-20130305ACF) that expired November 18, 2013. Pursuant to Section 312(g) of the Communications Act and Section 73.561(d) of the Rules, the broadcast license of Station KYRV automatically expired as a matter of law at 12:01 a.m., March 6, 2014 and is therefore no longer entitled to protection.
