Re: Translator Station W256CK
Construction Permit BNPFT-20130826AEI

Dear Ms. Dortch:

Living Proof, Inc. ("Living Proof") filed an assignment application with the Federal Communications Commission on January 26, 2016, seeking to assign Construction Permit BNPFT-20130826AEI for unbuilt FM Translator Station W256CK at Albany, Georgia (hereinafter the "Construction Permit") to Kimtron, Inc. ("Kimtron") (BAPFT-20160126ADU). Kimtron subsequently filed a minor change modification application for W256CK on January 29, 2016 (BMPFT-20160129AFA). The purpose of the modification is to allow Kimtron to rebroadcast WYDE (AM), Birmingham, Alabama.

The Construction Permit currently is scheduled to expire on December 23, 2016. Living Proof accordingly requests that the Construction Permit be tolled pursuant to Footnote 36 of the FCC's October 23, 2015 "AM Revitalization" Order, FCC 15-142, for 330 days from the later of the grant of the above-referenced assignment application or the above-referenced modification application.
