RE: ANTENNA ORIENTATION

WWUS(FM) – WCNK(FM) – WAVK(FM) – WKYZ(FM) – WKWM(FM)

Dear Mr. Smith,

This letter certifies that I have determined the orientation of the antenna bays for the above referenced FM Broadcast Stations. The antenna bays are pointed at bearings of 80 degrees and 250 degrees (+/- 1 degree), referenced to True North. This orientation is as specified by the antenna manufacturer, Shively Laboratories.
