RE: Facility ID-138968, Call Sign-K232DU, Permit File Number-BNPFT-20030815ADD, Anaktuvuk Pass

To Whom It May Concern:

This statement is to certify that a fence has been constructed at the base of the tower of K232DU, Anaktuvuk Pass, Alaska.

This fence is designed to prevent the exposure of humans to radiofrequency electromagnetic fields. The fencing is also of a type that restricts access and includes warning signs describing the nature of the hazard.

Sincerely,

Robert C. Eldridge
General Director
