3. **Excluded Assets.** Excluded Assets shall include (a) all cash and cash equivalents, (b) all contracts and other rights and interests of Seller which relate to the operation of the Station but are identified as Excluded Assets in the Asset Purchase Agreement, (c) all accounts receivable with respect to the Station, and (d) such other assets as may be specified in the Asset Purchase Agreement.

4. **Liabilities.** Seller shall continue to be responsible for all, and Buyer shall not assume any of, Seller's debts, liabilities and obligations with respect to the Station, except (a) those arising subsequent to the Closing under the continuing contracts referred to in part (c) of Paragraph 2 above, (b) the accounts payable, and (c) other liabilities, if any, specified in the Purchase Agreement.

5. **No Financing Contingency.** Buyer has adequate financial resources available to it to consummate the transactions contemplated by this letter. Thus Buyer's obligations under the Asset Purchase Agreement will not be subject to its ability to provide financing.

6. **The Asset Purchase Agreement.** Upon execution by you of this letter of intent, Buyer's counsel will commence the drafting of the Asset Purchase Agreement for submission to you for review. The Asset Purchase Agreement will contain provisions in accordance with this letter of intent, together with such representations, warranties and covenants as are usual and customary in such an agreement and as shall be mutually acceptable, including, without limitation, covenants as to the conduct of the Station prior to the closing; provided, however, that at all times prior to the closing Seller will remain in control of the Station. ~~The Asset Purchase Agreement shall provide that as of the date of the Closing, Seller shall have made pre-payments under the tower lease for a period of thirty-six (36) months.~~ *accepted* *10/19/01*

Buyer will hold all information obtained from Seller in confidence and if this transaction is not consummated will return all confidential documents to Seller. Buyer may terminate this letter of intent at any time prior to the execution of an Asset Purchase Agreement based on its due diligence.

This letter is expressly subject to agreement upon all the terms and conditions of the Asset Purchase Agreement and the execution and delivery thereof. This letter shall not create any rights in, or confer any benefits on, any third parties. Neither Buyer nor Seller shall have any obligation to the other until such time as the Purchase Agreement has been executed and delivered by Buyer and Seller.

This letter may be executed in two or more counterparts, each of which shall be an original, but all of which together shall constitute one instrument.
