

DESCRIPTION OF TRANSACTION

American Christian Television Services, Inc. (“ACTS”), the licensee of WTLW(TV), Lima, Ohio, is a non-stock, not-for-profit corporation controlled by its Board of Directors. Gradual changes in the Board of Directors since the filing of the last application for consent to transfer of control have resulted in a change of more than 50% in the Board’s membership. Accordingly, ACTS is filing the instant application on FCC Form 316 to obtain FCC consent to transfer control of WTLW’s license from the Old Board of Directors to the New Board of Directors. The use of Form 316 is appropriate because the applicant is a non-stock, not-for-profit corporation and because the change in the Board occurred gradually over time.
