Dear Mr. Woodworth:

In response to your letter of November 13, 2012 (copy attached) requesting cancellation of the license for KOBV (AM), Cedar City, UT, please be advised that I have updated the CDBS database to show cancellation as of this date.

In the interests of air safety, the tower owner continues to be responsible for maintaining obstruction marking and lighting as required by Antenna Structure Registration Number (ASRN) 1254937. If this tower is later dismantled, this must be reported at <http://wireless.fcc.gov/antenna>.
