

Purpose of Amendment

The purpose of this amendment is to clarify the total consideration paid for FM K277CT, Cottage Grove, Oregon. McKenzie Broadcasting, Inc. acquired Station K227CT pursuant to an option agreement executed with the Assignor for the exchange of \$1,000. In addition McKenzie reimbursed the assignee Four Thousand and Ten Dollars (\$4,010.00) via check for its expenses in securing the construction permit for K227CT (*See* attached Invoice). Thus a total of Five Thousand and Ten Dollars (\$5,010.00). All monies paid for the translator were in the form of cash or check including the expenses for construction of the translator.
