

**Exhibit 5**  
**Application for LPFM Construction Permit**  
**Berks Radio Association**  
**Lenhartsville, Pennsylvania**  
**Ch. 296D 107.1 MHz 100 Watts**

**Cross-Ownership**

Berks Radio Association ("Berks") is the licensee of non-commercial educational FM station WKTW at Longswamp Township, PA (Facility ID 176458). Berks hereby agrees that it will divest its interest in WKTW pursuant to §73.860(d) of the Commission's Rules prior to the commencement of operation of the proposed LPFM station.

Berks is also the applicant for a new non-commercial educational station at Frackville, PA (BNPED-20071019BFI). This application, to the best of our knowledge, is still pending Application for Review by the Commission. Should Berks be awarded a construction permit for this station, Berks agrees to divest it so that Berks remains in compliance with §73.860 of the Commission's Rules.

Since Berks agrees to divest all other broadcast interests prior to commencing LPFM operations, we believe that we qualify as a "new entrant" in the selection among mutually exclusive applicants.
