NATURE AND EDUCATIONAL PURPOSES OF APPLICANT

Non-Profit and Educational Nature

It is the intent of the applicant to operate the proposed station in a manner consistent with Section 73.503 of the Commission's Rules.

The applicant is a Pennsylvania non-profit corporation which has been established for charitable, religious, educational, and scientific purposes. It was incorporated on May 5, 2003. During the past six years, the applicant has engaged in Roman Catholic educational activities, including the production of radio programming.

Furtherance of Educational Objectives

In *Columbia Bible College Broadcasting Co.*, 6 FCC Rcd 516 (1991), at paragraphs 9 and 10, the Commission stated that religiously-oriented applicants can meet the eligibility standards set forth in Section 73.503 of the Commission's Rules, where the applicant (1) proposes an overall educational program and (2) its proposed programming furthers its educational objectives.

The applicant is eligible pursuant to Section 73.503 to be a non-commercial licensee of the station covered by this application, because the applicant proposes programming which constitutes an overall educational program and the programming furthers the organization's educational objectives. In this case, the applicant intends to broadcast programs to further the educational purposes of Domestic Church Media

Foundation, which are the teaching of Roman Catholic theology and catechism. The applicant will obtain programming from a number of sources, including the radio service of Eternal Word Television Network (EWTN).

The exact titles and subject matter of the programs will be determined at the time the proposed station is constructed and ready for operation. In addition, it is anticipated that the proposed station will also be used to broadcast play-by-play descriptions of sporting events of local Roman Catholic high school teams, as well as special events originating from and/or involving our local Catholic schools.

It is also anticipated that the proposed radio station will work with local Roman Catholic parishes, catechism programs and organizations to assist their educational efforts with respect to teaching of the Catholic religion.

In sum, it is our objective to use the proposed radio station to provide a valuable educational resource for the residents of our proposed service area.
