**Re: RAMS VI APPLICATION FOR A NEW AM STATION AT AQUA FRIA,
NEW MEXICO (BNP-20040130BQX)**

Dear Mr. Davis:

As you know, RAMS VI submitted an application for a new AM station at Aqua Fria, New Mexico in Auction 84. That application has been assigned the FCC File Number BNP-20040130BQX.

Pursuant to the FCC's June 15, 2005 Public Notice (20 FCC Rcd 10563) (as amended by the September 7, 2005 Public Notice (DA 05-2401)) RAMS VI was required to submit a 307(b) showing by October 31, 2005. RAMS VI did not submit this showing because it has no intention of prosecuting this application. Thus, according to the Public Notice, RAMS VI's application will be dismissed by the FCC.

If you have any questions about this letter, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Lee S. Reynolds". The signature is fluid and cursive, with the first name "Lee" and last name "Reynolds" clearly distinguishable.
