

EXHIBIT 13
AMENDED DESCRIPTION OF TRANSACTION AND DOCUMENTS

The instant application seeks Commission consent to the assignment of the license of WPFO-TV (the “Station”), Portland, Maine, FAC ID 84088, from CMCG Portland Licensee LLC (“Assignor”) to Portland (WPFO-TV) Licensee, Inc. (“WPFO Assignee”).

In 2013, Sinclair Television Group, Inc. (“Sinclair”) agreed to acquire (i) certain non-license assets of the Station from CMCG Portland LLC (“Seller”) pursuant to an Asset Purchase Agreement dated October 14, 2013 (“Non-License Assets Purchase Agreement”) (copy attached hereto), and (ii) the FCC licenses and certain other assets of the Station from Seller and Assignor pursuant to a separate Asset Purchase Agreement dated October 14, 2013, as amended on May 18, 2017 (“License Assets Purchase Agreement”) (copy attached hereto).

Sinclair and Seller consummated the Non-License Assets Purchase Agreement and entered into a joint sales agreement (“JSA”) and a shared services agreement (“SSA”), each dated October 31, 2013, with respect to the Station (copies attached). Pursuant to the License Assets Purchase Agreement, Seller and Assignor will assign to WPFO Assignee all of their rights and obligations under the JSA and SSA as part of the closing of the License Assets Purchase Agreement following receipt of Commission consent.

In November 2013, Sinclair entered into an Assignment Agreement with WPFO Assignee and Portland (WPFO-TV), Inc. (collectively, “Assignee”) pursuant to which Sinclair agreed to convey to Assignee all of its rights and obligations under the License Assets Purchase Agreement. On May 18, 2017, the Assignment Agreement was amended (copy attached hereto) to specify that Assignee and Sinclair have agreed, upon consummation of the transactions contemplated by the License Assets Purchase Agreement following Commission consent, to (i)

enter into an option agreement, and (ii) amend and restate the SSA with respect to the Station (copies of both attached hereto).

The agreements in this transaction comply with the Commission's rules and policies. However, in response to Section III, Question 3, Assignee has certified "No" because certain schedules and exhibits to the agreements are not being submitted with this application but will be provided to the FCC on request. Additionally, certain information contained within the attachments to Exhibit 13, which is proprietary in nature and not germane to the Commission's consideration of the parties' qualifications, has been redacted.
