

### Section 307(b) Showing

YMF Media South Carolina Licensee LLC (“YMF”), licensee of Station WHXT(FM), Orangeburg, South Carolina, submits this statement in support of its application to change the city of license to Swansea, South Carolina, as that community’s first local service. YMF will demonstrate, pursuant to Section 307(b) of the Communications Act, 47 U.S.C. § 307(b), that the proposed city of license change is in the public interest pursuant to *Revision of Procedures Governing Amendments to FM Table of Allotments and Changes of Community of License in the Radio Broadcast Services*, 21 FCC Rcd 14212, ¶ 10 (2006) and *Policies to Promote Rural Radio Service and to Streamline Allotment and Assignment Procedures*, 26 FCC Rcd 2556 (2011), *recon.* 27 FCC Rcd 12829 (2012) (“*Rural Radio*”).

As demonstrated in the Engineering Statement, Channel 280C3 can be allotted to Swansea consistent with Section 73.207 of the Commission’s Rules. See Exhibit 1. A 70 dBu signal will be provided to Swansea from the proposed allotment and application sites. See Exhibits 2 and 4. From the proposed application site, a net increase in service will be provided to an area of 48 sq. km with approx. 278,000 persons with all persons in the loss area receiving at least 5 remaining aural services. See Exhibits 5 and 6.

Swansea (pop. 827--2010 US Census) is located in Lexington County. Swansea has a local government with a Mayor and four Town Council, a Town Clerk, a Town Hall, Chamber of Commerce, Lions Club, Police Department, Water Department, Municipal Court, public library, schools and zip code. See Exhibit 1.

The Swansea Police Department consists of three full time, one part time, and three reserve officers. The town has its own garbage service, street maintenance and animal control. Swansea has two lower grade schools (Sandhills Elementary and Sandhills Primary), and two

upper grade schools (Swansea High Freshman Academy and Swansea High School) which are part of the Lexington School District No. 4.

In *Amendment of the Commission's Rules Regarding Modification of FM and TV Authorizations to Specify a New Community of License*, 4 FCC Rcd 4870 (1989), *recons. granted in part*, 5 FCC Rcd 7094 (1990) (“*Community of License Order*”) as modified by the *Rural Radio* decision, the Commission stated that a station may change its community of license without subjecting the license to other expressions of interest if: (1) the proposed allotment is mutually exclusive with the current allotment; (2) the current community of license will not be deprived of its only local service; and (3) the proposed arrangement of allotments is preferred under the Commission’s allotment priorities. These criteria are met here.

First, the proposed use of Channel 280C3 at Swansea is mutually exclusive with the current allotment of Channel 280C3 at Orangeburg, South Carolina. See Exhibit 1 of the Engineering Statement.

Second, Orangeburg will be not be deprived of local service because there are 4 other stations currently providing service to the community.<sup>1</sup>

Third, the proposal satisfies Priority 3 based on the Commission’s allotment policies by providing a first local service to Swansea compared to four local services at Orangeburg. See *Revision of FM Assignment Policies and Procedures*, 90 FCC 2d 88 (1982).<sup>2</sup>

Neither Swansea nor Orangeburg is located within an Urbanized Area nor does the proposed 70 dBu contour cover 50% of an Urbanized Area. See *Rural Radio* at ¶¶ 30, 38 (a station that places a “principal community signal over 50 percent or more of an urbanized area . . . will be presumed to . . . serve the urbanized area rather than the proposed community”). In this

---

<sup>1</sup> Stations WSSB-FM, WQKI-FM, WTCB(FM) and WPJK(AM).

<sup>2</sup> The FCC’s FM allotment priorities are as follows: (1) first full-time aural service, (2) second full-time aural service, (3) first local service, and (4) other public interest matters.

case, the Engineering Statement shows that only 14.8% of the Columbia SC Urbanized Area can be covered. In addition, the Engineering Statement demonstrates that due to the protection afforded to Station WSOC-FM, Charlotte, North Carolina in the direction of Columbia, the station could only move a short distance to the north (where there are no existing towers) and would only be able to cover a small additional percentage of the Urbanized Area—far below the requisite 50% threshold amount. Thus, the proposed relocation and city of license change proposal complies with the Rural Radio policy and Footnote 97.

In conclusion, YMF's proposal to provide a first local service to Swansea, South Carolina represents a preferential arrangement of allotments thus satisfying the Commission's Section 307(b) policies and should be granted.

[Complete List of Trash Allowed In Curbies](#)

**Garbage Service:** Trash curbies need to be set beside the road at your lot on Thursday night for our regular Friday morning pickup. If your curbie was placed by the road on Thursday night and was not emptied on Friday call Town Hall (568-2835) and report it. If your curbie is broken also report this to Town Hall for replacement or repair.

**Yard Trimmings Removal:** Yard trimming pickup is scheduled for Tuesdays weather permitting, Wednesday if needed. Place limbs or bagged leafs by the road for pickup. Limbs should be no longer than 5 foot. Customers are limited to approximately one pickup truck load per week. If you are doing heavy lot clearing you will need to make your own arrangements for debris removal. Trash is not to be mixed with yard trimmings as trimmings are shredded for reuse as mulch.

**Animal Control:** The Town of Swansea assists Lexington County Animal Control with animal removal within the Town limits. If you need animal removal call Town Hall for the placement of an animal trap or you may bring unwanted animals to the Police Department for holding until animal control can pick them up.

The Town of Swansea accepts only cash certified check or money orders as payment for traffic citations.

If mailing payment in it must be in the form of Money Order or Certified Check.

**COURT FINE AMOUNTS**

We would like to take this opportunity to explain the court fines. These fines are NOT under the control of the law enforcement officers nor the court personnel. The fines are set by the STATE LEGISATURE and can't be changed at the local level. A **MAJORITY** of the fines go to the state not the Town.

199 N. Lawrence Ave.  
Swansea, SC 29160

**Branch Hours:**

Mon/Fri 10 - 6  
Tues 11 - 7  
Thurs 12 - 6  
Sat 10 - 1

**Branch Librarian:**

Edna Terry  
(803) 785-3519 Phone

**Phone:**

(803) 785-3519

**About This Branch:**

The Swansea Branch Library originally started out with a few shelves of books in Robert's Grocery Store on Main Street. In 1981, with the help of local residents, a small building was obtained and stocked with about 400 books. Within a few years, the library had outgrown its small space and moved across the street to the old Post Office. The building was later donated to the county by Mr. and Mrs. Elijah Mack.

In 2007, a new 4,000 ft<sup>2</sup> library was built to serve the Swansea area. It features increased shelving for books and videos, 6 Internet computers, and a meeting room for library programs and community use.

A dedicated staff now runs the library 33 hours per week and is eager to serve the needs of the Swansea community. We encourage you to visit and take advantage of the library.
