

## EXHIBIT 11

This narrative exhibit is submitted to demonstrate that the instant proposal fully complies with the interference criteria set forth in Section 74.1204 of the Commission's rules. Attached at exhibit 12 are a spacing study, an additional narrative exhibit which includes a Section 74.1204(d) showing, and maps demonstrating clearly that there is no prohibited overlap between this proposal and any other FM services. The attached FM spacing study demonstrates that this proposal would be fully spaced even as a full power Class A FM station to all but six other FM facilities. The attached maps and Section 74.1204(d) study with regard to overlap between this proposal and the coverage contours of WGRC, Lewisburg, PA and WVBU-FM, Lewisburg, PA demonstrate that there is no prohibited contour overlap between these six facilities and the instant proposed FM translator facilities. Two licensed FM translators have also been included on the maps because of their proximity to the proposed facilities. As demonstrated in these maps no prohibited overlap with these stations is predicted.

The eight facilities that have been included on the attached maps are: WJRC, 90.9, Lewistown, PA (60 dBu contour to proposed 40 dBu interference contour); WBUQ, 91.1, Bloomsburg, PA (60 dBu contour to prop. 54 dBu int. contour); WCRG, 90.7, Williamsport, PA (60 dBu contour to prop. 54 dBu int. contour); WVBU-FM, 90.5, Lewisburg, PA (60 dBu contour to prop. 100 dBu int. contour); WGRC, 91.3, Lewisburg, PA (60 dBu contour to prop. 100 dBu int. contour); WHYI-FM, 90.9, Philadelphia, PA (60 dBu contour to prop. 40 dBu int. contour); W215AF, 90.9, Muncy, PA (60 dBu contour to prop. 40 dBu int. contour); and W212BJ, 90.3, Williamsport, PA (60 dBu contour to prop. 100 dBu int. contour). W215BU 90.9 Lewisburg, PA 74.1204(d) Narrative and its related maps are

included to show allowable overlap under Section 74.1204(d) with this proposal's 112.5 dBu interference contour and the 72.5 dBu coverage contour of WVBU-FM, Lewisburg, PA and the 89 dBu coverage contour of WGRC, Lewisburg, PA. A scale of kilometers has been included on the maps. These maps were drawn to scale using the rfSoftware series of computer programs.
