June 29, 2009

SynCom Media Group, Inc., licensee of K63AB has received notice that the proposed facility for K61AA is predicted to cause interference to FCC file 20070703ABO. By way of this letter, the licensee of K63AB acknowledges that it will accept any interference caused by the proposed facilities of this application or any amendment thereof.

If you have any questions concerning this acknowledgement, you are welcome to contact me at the phone number listed.

Respectfully,

Christopher Blair
