July 12, 2016

I, Heath E. Huovinen, PLS L-4658, certify that the orientation of the four antennae recently installed on a radio tower atop DH Hill Library on the campus of North Carolina State University in Raleigh, NC is North 6 degrees 30 minutes East, plus or minus 30 minutes, with these bearings being relative to North Carolina State Plane Coordinate System NAD83(2011). And that this direction is consistent with the specifications for installation outlined by Electronics Research, Inc.

Sincerely,

Heath E. Huovinen, PLS  
University Surveyor
