

# **EXHIBIT 1**

## **LPFM PRECLUSION STUDY**

This is a Auction-83 Long Form application for McCall, ID. The proposed transmitter site has been modified from the original Short Form location. As such, pursuant to Public Notice DA 13-383, Attachment B, an LPFM Preclusion study is included herein.

### **GRID TEST:**

The proposed transmitter site is 136km from the reference coordinates of the nearest Appendix A Arbitron market, Boise, ID. This application is well outside this preclusion buffer zone. Therefore, no LPFM Grid Test showing is required. This application cannot preclude any LPFM filing, within any market grid.

### **TOP-50 TRANSMITTER SITE TEST:**

The proposed transmitter site is outside any Top-50 Arbitron market. Therefore, no Top-50 Transmitter Site Test is required.
