### **Extension of Existing Engineering STA**

The proposed facility is excluded from environmental processing under 47. C.F.R. Section 1.1306.

Applicant certifies that neither applicant nor any party to the application is subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. Section 862.

July 2022 Update: Licensee respectfully requests the extension of this STA an additional 6 months to allow Licensee to proceed with a newly contracted consulting engineer. The consulting engineer has been delayed by construction permits that resulted from the TV Auction. Licensee believes the non-directional study will be completed in the coming weeks and allow progress to be made on the project. Said extension would be in the public's interest.
