

Exhibit 15
Application for Consent to
Assignment of WFSO Broadcast Station License

Compliance with Multiple and Cross Ownership rules

WFSO is located in the village of Olivebridge, NY (estimated population to be less than 2000 persons), and is in the Town of Olive with a population of 4,579 persons per the US Census 2000 estimate.

In this application for assignment of WFSO from Christian Media Associates, Inc. to Redeemer Broadcasting, Inc. (RBI) we certify that the proposed assignment complies with the Commission's multiple ownership rules and cross-ownership rules.

RBI does not currently own any radio, TV, or newspapers. With this station assignment, WFSO will be the only radio station that RBI owns.

Since this pertains to ownership of a single station only, this application is consistent with 47 C.F.R. § 73.3555 (a)(1)(iv) which states in part: "...unless the combination of stations comprises not more than one AM and one FM station."
