Gentlemen:

This refers to your attorney's letter dated June 2, 2011 requesting special temporary authority to remain silent. You request additional time to complete replacement of a defective EAS (Emergency Alert System) unit. You indicate that following evaluation of the defective unit, WLEF-TV has determined that no repair of the unit is possible. Accordingly, an order has been placed for a Cap Compliant EAS unit and expected to be delivered soon.

In light of the above, special temporary authority to remain dark pursuant to Sections 73.1740 of the Commission's Rules until March 13, 2012 IS GRANTED.

During this period of discontinued operation, you are directed to pay strict attention to Section 73.1740 (a) (4). That is, you must continue to adhere to the requirements in your station license pertaining to the lighting of antenna structures.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

Kevin R. Harding
