THIS ASSET PURCHASE AGREEMENT is made and entered into this 13th day of August, 2007, by, between and among PIEDMONT TELEVISION HOLDINGS LLC, a Delaware limited liability company ("Holdings"), PIEDMONT TELEVISION OF ANCHORAGE LLC, a Delaware limited liability company ("Anchorage"), PIEDMONT TELEVISION OF ANCHORAGE LICENSE LLC, a Delaware limited liability company ("Anchorage License Sub"; Anchorage License Sub and Anchorage being referred to collectively as "Sellers" and individually as a "Seller"; and Sellers and Holdings being sometimes referred to herein collectively as the "Piedmont Companies" and individually a "Piedmont Company"; COASTAL TELEVISION BROADCASTING COMPANY LLC, a Delaware limited liability company ("CTB"), and WILLIAM A. FIELDER, III, the sole member of CTB ("Fielder"; CTB and Fielder being referred to collectively as "Buyer").

WITNESSETH:

WHEREAS, Sellers own and operate the television broadcast station listed on Schedule I attached hereto (the "Station"); and

WHEREAS, Sellers desire to sell, assign and transfer to Buyer, and Buyer desires to purchase from Sellers, substantially all of the assets used or held for use in the operation of the Station, on the terms and subject to the conditions set forth herein;

NOW, THEREFORE, in consideration of the above premises and of the mutual covenants, conditions and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows:

ARTICLE 1: DEFINITIONS

1.1 Definitions. Capitalized terms used in this Agreement shall have the meanings ascribed to them in Annex A, which is incorporated herein by reference into this Agreement and made a part hereof.

1.2 Rules of Construction. Whenever the context requires, any pronoun shall include the corresponding masculine, feminine and neuter forms. Where the context so requires or permits, the use of the singular form includes the plural, and the use of the plural form includes the singular. Without limiting the generality of the foregoing, it is hereby acknowledged and agreed that (i) the terms "Seller" or "Sellers" shall include and mean, as applicable, the applicable Seller or Sellers individually and not just Sellers collectively or as a group, and (ii) the terms "Piedmont Company" or "Piedmont Companies" shall include and mean, as applicable, the applicable Piedmont Company or Piedmont Companies individually and not just the Piedmont Companies collectively or as a group. The words "include," "includes" and "including" shall be deemed to be followed by the phrase "without limitation." All references to "party" and "parties" shall be deemed references to parties to this Agreement unless the context shall otherwise require. Except as specifically otherwise provided in this Agreement, a reference to an Article, Annex, Section, Schedule or Exhibit is a reference to an Article or Section of this Agreement or an Annex, Schedule or Exhibit of this Agreement. The term "or" is used in its inclusive sense ("and/or") and, together with the terms "either" and "any" shall not be exclusive. When used in this Agreement, words such as "herein", "hereinafter", "hereby", "hereof," "hereto", "hereunder" and words of similar import shall refer to this Agreement as a whole,

including Annexes, Schedules and Exhibits hereto, and not to any particular provision of this Agreement, unless the context clearly requires otherwise. Any reference to any federal, state, local or foreign statute or law shall be deemed also to refer to all rules and regulations promulgated thereunder, unless the context requires otherwise.

ARTICLE 2: PURCHASE AND SALE

(l) for the avoidance of doubt, the MAS 500 Accounting System, which is owned by Holdings and used for the Station and other television stations owned, directly or indirectly, by Holdings and its subsidiaries; provided that this Section 2.2(l) is not intended to impair Buyer’s right to access Sellers’ books and records as set forth in Section 7.4.

2.3 Collateral Security for Buyer's Obligations.

(a) Concurrently with the execution and delivery of this Agreement, Fielder and the Piedmont Companies shall enter into a pledge agreement in the form of Exhibit A hereto (the "Pledge Agreement") pursuant to which all of Fielder's limited liability company interests in Holdings and/or any of its subsidiaries (the "Pledged Units"), shall be pledged, effective upon the release and termination of the pledge thereof in favor of General Electric Capital Corporation, to Sellers as collateral security for Buyer's timely performance and fulfillment of its obligations under this Agreement.

(b) If this Agreement is terminated, then Buyer's and Sellers' rights with respect to the Pledged Units shall be determined in accordance with Section 12.2(b).

2.4 Purchase Price. In consideration for the sale of the Assets to Buyer pursuant to the terms and subject to the conditions of this Agreement, at the Closing Buyer shall pay to Sellers the amount of Three Million Two Hundred Forty-Two Thousand Five Hundred Dollars (\$3,242,500) (the "Purchase Price") and assume the Assumed Liabilities from Sellers. Payment of the Purchase Price shall be made by (i) redemption of all of the Pledged Units at an agreed upon value of Five Hundred Forty-Nine Thousand Five Hundred Dollars (\$549,500), and (ii) the balance thereof by wire transfer of immediately available Federal funds in accordance with the wire transfer instructions delivered by Sellers to Buyer no later than one (1) Business Day prior to the Closing Date.

2.5 No Prorations or Adjustments as of Closing. Except as set forth in paragraphs (d) and (e) below, there shall be no prorations or adjustments as of the Closing with respect to the revenues and expenses of the Business. The following provisions shall apply in this regard:

(a) As of the Closing, Sellers shall be current on payment of current liabilities relating to the operation of the Business and no amounts thereof shall be past due. No liabilities relating to the Business shall be deferred in a manner such that the liabilities differ from amounts determined pursuant to the underlying agreements from which such liabilities arise.

(b) From the date hereof until Closing, Accounts Receivable shall be collected in a manner consistent with the past business practices of the Station. As of the Closing, the outstanding Accounts Receivable, and the agings thereof, shall in all material respects be consistent with the historical receivables and agings of the Station for comparable periods.

(c) Buyer shall not assume any obligations for sick pay or sick leave benefits for Transferred Employees. There shall be no adjustment in respect of the Excluded Assets, sick pay or the Retained Liabilities, and Buyer shall not be responsible for any obligation or liability that is not an Assumed Liability;

(d) There shall be no adjustment or proration between Buyer and Sellers for syndicated programming, network or other programs or film barter; provided, however, that such syndicated programming, network or other programs or film barter assets have been amortized in accordance with the Station's normal accounting policies, namely on a straight-line basis for barter and first-run cash programming and on an accelerated basis using the sum-of-the-months digits basis for second-run cash programming. As of the Closing, the liability for such cash syndicated programming will have been brought current by Sellers, and no such amounts shall be deferred in such a manner that the liability differs from amounts determined by using the terms of the related agreement. There shall be no adjustment or proration between Buyer and Sellers for payments due

under the Programming Contracts except as expressly set forth in this Section 2.5(d). Except as set forth herein for the month in which the Effective Time occurs, Sellers shall be responsible for filing and paying all film or programming license fees due and payable under the Programming Contracts prior to the Effective Time, and Buyer shall be responsible for filing and paying all such fees on and after the Effective Time; provided, however, that for the month in which the Effective Time occurs, such obligations for such month shall be allocated on a pro-rata basis based on the day of the month immediately prior to the Effective Time.

(e) Except as otherwise provided in Section 7.1, in no event shall Buyer be liable for any bonus or any other compensation payable to any Employees as a result of or in connection with the transaction contemplated herein, including stay or retention bonuses or change of control payments, all of which shall be the responsibility of Sellers; and

(f) Sellers shall be obligated to pay all costs for equipment, installation and technical and regulatory fees for the DTV Upgrades incurred prior to the Closing Date.

2.6 Assumption of Liabilities. On, from and after the Effective Time, Buyer shall assume and agree to duly and timely pay, discharge, defend and perform as and when due:

(a) any and all obligations and liabilities of Sellers under the Assumed Contracts, the Licenses and the Station Licenses;

(b) liabilities and obligations of Sellers that are to be assumed by Buyer under Section 7.1;

(c) any and all liabilities and obligations of Sellers to the extent accrued as a current liability as of the date of Closing in accordance with GAAP; and

(d) any and all liabilities and obligations of Sellers for any advance payments or deposits.

All of the foregoing under this Section 2.6, together with other liabilities or obligations expressly assumed by Buyer under this Agreement or any other document, agreement or instrument required of Buyer under this Agreement, are referred to herein collectively as the “Assumed Liabilities”. Sellers shall retain all liabilities of Sellers other than the Assumed Liabilities (such retained liabilities, the “Retained Liabilities”). For the avoidance of doubt, the liabilities described in Schedule 4.13(b) shall be Retained Liabilities.

2.7 Allocation of Purchase Price. Sellers and Buyer shall cooperate, and use good faith efforts, in preparing a joint schedule that sets forth the allocation of the Purchase Price among the Assets within the various classifications of assets as required and set forth in Code §1060 and the regulations thereunder (the “Asset Allocation Schedule”). Sellers and Buyer each agree to provide the other promptly with any other information required to complete the Asset Allocation Schedule. If, however, Sellers and Buyer are unable to complete the Asset Allocation Schedule within sixty (60) days following the Closing Date, or such later date as agreed to by Buyer and Sellers, then Buyer and Sellers shall file IRS Form 8594 and any federal, state, and local Tax returns reflecting an allocation of the purchase consideration to and among the Assets in the manner each believes is appropriate and consistent with this Section 2.7, provided that such allocation is reasonable and in accordance with Code §1060 and the regulations thereunder. The parties hereto further agree: (i) to use the allocations set forth in the Asset Allocation Schedule for Tax purposes; (ii) that any such

agreed upon allocations set forth in the Asset Allocation Schedule shall be in accordance with, and as provided by, Code §1060 and the regulations thereunder; and (iii) that any Tax returns or other Tax information they may file or cause to be filed with any Governmental Authority or fiscal intermediary shall be prepared and filed consistently with the allocations set forth in the Asset Allocation Schedule. In this regard, the parties agree that, to the extent required, they will each properly and timely file Form 8594 in accordance with Code §1060 and the regulations thereunder in accordance with the Asset Allocation Schedule. In any proceeding related to any Tax, neither Buyer nor Sellers shall contend or represent a position inconsistent with the Asset Allocation Schedule or that any other party's allocation is an incorrect allocation (unless inconsistent with the Asset Allocation Schedule).

2.8 Deferred Consents. Anything in this Agreement to the contrary notwithstanding, this Agreement shall not constitute an agreement to assign or transfer any Assumed Contract or any claim, right, or benefit arising thereunder or resulting therefrom, if an attempted assignment or transfer thereof, without the consent of a third party thereto would constitute a breach thereof. If such consent is not obtained prior to Closing (a "Deferred Consent"), or if an attempted assignment or transfer thereof would be ineffective or would affect the rights thereunder so that Buyer would not receive all such rights, then (i) Sellers and Buyer will cooperate, in all reasonable respects, to obtain such Deferred Consents as soon as practicable; provided that neither Buyer nor Sellers shall have any obligation (A) to pay any fees or provide or deliver any other consideration to any Person in order to obtain any Deferred Consent, or (B) to agree to any adverse change in any License or Assumed Contract in order to obtain a Deferred Consent, and (ii) until such Deferred Consent is obtained, Sellers and Buyer will cooperate in all reasonable respects to provide to Buyer the benefits under the Assumed Contract to which such Deferred Consent relates and Buyer shall be responsible for all the liabilities and obligations thereunder arising after the Effective Time. In particular, in the event that any such Deferred Consent is not obtained prior to Closing, then Buyer and Sellers shall enter into such arrangements (including subleasing or subcontracting if permitted) to provide to the parties the economic and operational equivalent of obtaining such Deferred Consent and assigning or transferring such Assumed Contract, including enforcement for the benefit of Buyer of all claims or rights arising thereunder, and the performance by Buyer of the obligations thereunder on a prompt and punctual basis.

ARTICLE 3: GOVERNMENTAL APPROVALS AND CONTROL OF STATION

3.1 FCC Consent.

(a) The purchase and sale of the Assets as contemplated by this Agreement shall be in all respects subject to, and conditioned upon, the receipt of prior FCC Consent.

(b) Within five (5) Business Days after the execution and delivery of this Agreement, Buyer and Sellers shall prepare, execute and file with the FCC the Assignment Application. Buyer and Sellers agree to prosecute the Assignment Application with all reasonable diligence and take all steps reasonably necessary and otherwise use their reasonable best efforts to obtain the FCC Consent as expeditiously as possible, including the filing of all appropriate or necessary supplemental filings and amendments and vigorously contesting and opposing any petitions, objections, challenges or requests for reconsideration thereof. No party hereto shall take any action not contemplated by this Agreement that such party knows or should know would adversely affect obtaining the FCC Consent. Each party will promptly provide the other party with true, correct and complete copies of all pleadings, orders, filings or other documents served on them

related to the Assignment Application or the FCC Consent. All filing fees related to the Assignment Application shall be borne and paid equally by Buyer, on one hand, and Sellers, on the other hand.

(c) Each party agrees to comply with any condition imposed on it by any FCC Consent, except that no party shall be required to comply with a condition if compliance with the condition would have a material adverse effect upon it.

(d) If the Closing shall not have occurred for any reason within the original effective period of the FCC Consent and this Agreement shall not have been terminated by Buyer or Sellers pursuant to Section 12.1, the parties hereto shall jointly request an extension (or extensions, as necessary) of the effective period of the FCC Consent. No extension of the FCC Consent shall limit the right of any party to exercise its rights under Section 12.1.

3.2 Control Prior to Closing. Between the date hereof and the Closing Date, CTB shall not, directly or indirectly, control, supervise or direct, or attempt to control, supervise or direct, the operation of the Station. Such operation, including complete control and supervision of all programs, employees and policies, shall be the sole responsibility of the applicable Seller. Notwithstanding the foregoing, nothing in this section will prohibit Fielder from continuing to perform his duties as Sellers' CFO consistent with his past performance. After the Closing, Sellers shall have no right to control the Station and Sellers shall have no reversionary rights in the Station.

3.3 Governmental Consents. Promptly following the date of this Agreement, Buyer and Sellers shall prepare and file with the appropriate Governmental Authorities any notices as well as any other requests for approval or waiver that are required from such Governmental Authorities in connection with the transactions contemplated hereby and shall diligently and expeditiously prosecute, and shall reasonably cooperate with each other in the prosecution of, such requests for approval or waiver and all proceedings necessary to secure such approvals and waivers.

(iii) The applicable Seller has not assigned, transferred, conveyed, mortgaged, deeded in trust or caused any Lien (other than any Permitted Lien) to exist with respect to any interest of the Seller in such Lease.

(c) Except as set forth in Schedule 4.7(c), the Real Property is accessible by public right of way or is otherwise reasonably accessible for purposes of conducting the use of such Real Property as presently conducted by Sellers in conjunction with the operation of the Business and constitutes all of the real property currently used or held for use in the current operation of the Business. 4.8 Financial Statements.

(a) Attached as Schedule 4.8(a) are true and complete copies of the unaudited balance sheets of the Station as of December 31, 2006 and 2005 and the related statements of operations for the fiscal years then ended (collectively, the "Annual Financial Statements"). The Annual Financial Statements (i) have been prepared in accordance with GAAP applied on a basis consistent throughout the periods covered thereby (except as disclosed on Schedule 4.8(a)), (ii) have been prepared in accordance with the past practices of Sellers and (iii) present fairly, in all material respects, the financial condition of the Station described therein as at the dates indicated and the results of their operations for the years then ended; provided, however, that the Annual Financial Statements lack footnotes and other presentation items required under GAAP.

(b) Attached as Schedule 4.8(b) are true and complete copies of the unaudited balance sheet (collectively, the "Most Recent Balance Sheets") of the Station as of May 31, 2007 (the "Most Recent Fiscal Month End") and the related statement of operations for the five (5) month period then ended (collectively, the "Interim Financial Statements"). Except as disclosed in Schedule 4.8(b), the Interim Financial Statements (i) have been prepared in accordance with GAAP; (ii) have been prepared in accordance with the past practices of Sellers and (iii) present fairly, in all material respects, the financial condition of Sellers as at the date indicated and the results of their operations for the period then ended; provided that the Interim Financial Statements lack footnotes and other presentation items required under GAAP and are subject to year-end audit adjustments.

4.9 Conduct of Business. Except as disclosed in Schedule 4.9 or as contemplated or permitted under this Agreement, since the Most Recent Fiscal Month End:

(a) Sellers have conducted the Business in the ordinary course of business; and

(b) Sellers have not:

(i) made any material amendment to or terminated any material Assumed Contract, Lease, or License to which Sellers are parties with respect to the Business, except in the ordinary course of business;

(ii) incurred material loss of or to any material Assets not covered by insurance or voluntarily waived any rights of material value;

(iii) made any material adverse change to any existing material commitment or liability to any labor organization that represents, or proposes to represent, the Employees; or

(iv) agreed to do any of the foregoing.

4.10 Litigation. Except as set forth in Schedule 4.10 and except for proceedings (including FCC rulemaking proceedings) generally affecting the television broadcasting industry: (i) there is no decree, judgment, order, litigation, arbitration proceeding or other legal or administrative proceeding pending against any of Sellers, (ii) to the Knowledge of Sellers, there is no decree, judgment, order, litigation, arbitration proceeding or other legal or administrative proceeding threatened against Sellers that is reasonably likely to have a Material Adverse Effect, and (iii) to the Knowledge of Sellers, there is no claim, demand or investigation pending or threatened against Sellers that is reasonably likely to have a Material Adverse Effect.

4.11 Compliance with Laws. Except as set forth on Schedule 4.11, Sellers are in compliance in all material respects with all federal, state and local laws, statutes, ordinances, rules and regulations and all court or administrative orders or processes applicable to Sellers.

4.12 Taxes. Except as set forth on Schedule 4.12:

(a) All federal, state and local Tax returns required to be filed by or on behalf of Sellers have been timely filed (subject to any permitted filing date extensions) with the appropriate Governmental Authorities in all jurisdictions in which such returns and reports are required to be filed on or prior to the date hereof, and all Taxes shown as due on such Tax returns have been paid;

(b) To the Knowledge of Sellers, no claim has ever been made by any taxing authority in a jurisdiction where a Seller does not file Tax returns that a Seller is or may be subject to taxation by such jurisdiction;

(c) Sellers have not requested, and are not current beneficiaries of, any extension of time within which to file any Tax returns;

(d) Sellers have withheld and paid all Taxes required to have been withheld and paid in connection with amounts paid to any employee, independent contractor, creditor, member or other third Person; and

(e) There are no Liens for unpaid Taxes (other than for current Taxes either not yet due and payable or being contested in good faith) upon the Assets.

4.13 FCC Licenses; Compliance with FCC Requirements.

(a) Schedule 4.13(a) identifies and includes a complete list of all Station Licenses. Each Main Station License is in full force and effect and none of such Licenses is subject to any conditions outside the ordinary course (other than conditions appearing on the face of such Licenses), and the applicable Seller is the authorized holder thereof. The Station Licenses listed on Schedule 4.13(a) constitute all of the licenses and authorizations issued by the FCC and required under the Communications Act and the current rules, regulations and published policies of the FCC for the lawful conduct of the Station as operated by Sellers on the date hereof, and no other material qualifications, registrations, filings, privileges, franchises, licenses, permits, approvals or authorizations are required in order for Sellers to own and operate the Station in the manner operated on the date hereof.

(b) Except as set forth on Schedule 4.13(b) and except for any FCC investigations, rulemakings or other proceedings affecting the broadcasting industry generally, to the Knowledge of Sellers, as of the date of this Agreement, there is no pending or threatened investigation by or before the FCC, or any order to show cause, notice of violation, notice of apparent liability, notice of forfeiture or material complaint by, before or with the FCC with respect to Sellers and the Station.

(c) Except as set forth on Schedule 4.13(c), the Station is operating in all material respects in accordance with the specifications of the applicable Main Station Licenses, and is in compliance in all material respects with the Communications Act and the rules, regulations and published policies of the FCC. All material filings, reports and statements that Sellers are currently required to file with the FCC during the current applicable terms of the Main Station Licenses have been filed.

(d) As set forth on Schedule 4.13(a), an application for renewal of the Station's Main Station Licenses was timely filed on October 2, 2006 and remains pending. As of the date of this Agreement, no petition to deny or other objection has been filed against such application. Sellers will use their commercially reasonable efforts to prosecute such application. The parties acknowledge that under current FCC policy, the FCC will not permit the assignment of the Station while the Station's Main Station License renewal application is pending. In order to facilitate the transaction contemplated by this Agreement, Sellers will, promptly after the date hereof, enter into an agreement with the FCC to toll the applicable statute of limitation with respect to indecency complaints pending against Station, and enter into a consent decree to resolve potential non-indecency violations, if reasonably necessary to receive a grant of the Station's Main Station License renewal application.

4.14 Insurance. Schedule 4.14 contains a true and complete list of all insurance policies in respect of the Station that are in effect as of the date of this Agreement. All policies of insurance listed on Schedule 4.14 are in full force and effect in all material respects as of the date of this Agreement. Sellers maintain customary insurance policies covering their Assets and various occurrences that may be reasonably anticipated to arise in connection with the operation of the Station.

4.15 Employees.

(a) Sellers have furnished to Buyer a true and complete list of all employees of the Station in connection with Business (collectively, the "Employees") as of the date set forth on

such list showing each of their names, titles and current annual base salary rates and the number of days and the amount of accrued but unused vacation pay to which each Employee is entitled to use as of the date set forth in such list. Except as set forth in Schedule 4.15(a) or as otherwise provided by applicable state law, the employment of all Employees is terminable at will, and (ii) no Employee has any agreement, written or oral, regarding the terms of their employment or compensation. The employment agreements listed on Schedule 4.15(a) are sometimes referred to herein collectively as the “Employment Agreements”).

(b) Except as set forth in Schedule 4.15(b):

(i) Sellers are not bound by any collective bargaining agreement covering any of the Employees; and

(ii) Sellers are not engaged in any material unfair labor practice or other material unlawful employment practice, and, to the Knowledge of Sellers, there are no charges of any material unfair labor practice or other material unlawful employment practice pending against Sellers before the National Labor Relations Board, the Equal Opportunity Commission, the Occupational Safety and Health Review Commission, the Department of Labor or any other Governmental Authority.

4.16 Employee Benefit Plans.

(a) Except as set forth in Schedule 4.16, no Seller maintains or is a party to or makes contributions to any of the following: (i) any “employee pension benefit plan,” as such term is defined in Section 3(2) of ERISA; or (ii) any “employee welfare benefit plan,” as such term is defined in Section 3(1) of ERISA. All employee benefit plans maintained by any Seller or to which any Seller is obligated to contribute (“Employee Benefit Plans”) are in all material respects maintained, funded and administered in compliance with ERISA, the Code, and other applicable law. As to each Employee Benefit Plan for which an annual report is required to be filed under ERISA or the Code, no liabilities with respect to such plan existed on the date of the most recently filed annual report except as disclosed therein and, except as disclosed in Schedule 4.16, no material adverse change has occurred with respect to the financial data covered by the most recently filed annual report since the date thereof.

(b) Except as disclosed in Schedule 4.16, the execution of this Agreement and performance of the transactions contemplated hereby will not in and of itself constitute a triggering event under any Employee Benefit Plan that will result in any payment (whether of severance pay or otherwise) becoming due from any Seller. Each Employee Benefit Plan that is an employee pension benefit plan (other than a plan that is unfunded and covers only employees who are among the select group of management or highly compensated employees of Sellers), if any, has received a favorable determination letter stating that the plan is qualified under Section 401(a) of the Code, or it is in a prototype or volume submitter plan document whose language has been pre-approved by the IRS as is evidenced by a letter from the IRS, and no event has occurred that is reasonably likely to result in the loss of the qualification of such plan under Section 401(a) of the Code. Except as set forth in Schedule 4.16, no Seller has ever maintained a pension plan subject to Section 412 of the Code or Title IV of ERISA, and no Seller has ever maintained, contributed to or been required to contribute to any employee benefit plan that is a “multiemployer plan” (as defined in Section 3(37)(A) or (D) of ERISA) as amended by the Multiemployer Pension Plan Amendments Acts of 1980.

(c) No “prohibited transaction,” within the meaning of Section 4975 of the Code or Sections 406 and 407 of ERISA, and not otherwise exempt under Section 408 of ERISA, has occurred with respect to any Employee Benefit Plan. There are no actions, suits or claims pending or, to the Knowledge of Sellers, threatened (other than routine claims for benefits) against any Employee Benefit Plan or against the assets of any Employee Benefit Plan. There are no audits, inquiries or proceedings pending or, to the Knowledge of Sellers, threatened by the IRS, the U.S. Department of Labor, or any other Governmental Authority with respect to any Employee Benefit Plan. Sellers are not subject to any penalty or tax with respect to any Employee Benefit Plan under Section 502(i) of ERISA or Sections 4975 through 4980 of the Code. Sellers have timely made all contributions and other payments required by and due under the terms of each Employee Benefit Plan. Sellers have complied in all material respects with the notice and benefit obligations regarding any Employee Benefit Plan mandated by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA).

4.17 Environmental Compliance. Except as set forth on Schedule 4.17:

(a) Sellers and the Business have complied in all material respects with and are in compliance in all material respects with all Environmental Laws, and no action, suit, proceeding, hearing, charge, complaint, claim, demand, or notice has been filed or commenced or, to Sellers’ Knowledge, threatened against Sellers, and to Sellers’ Knowledge, there is no investigation pending or threatened against Sellers that: (i) asserts or alleges that Sellers violated in any material respect any Environmental Laws; (ii) asserts or alleges that Sellers are required to clean up, remove or take remedial or other response action due to the disposal, depositing, discharge, leaking or other release of any Hazardous Materials at the Real Property; or (iii) asserts or alleges that Sellers are required to pay all or a portion of the cost of any past, present or future cleanup, removal, remedial or other response action that arises out of, or is related to, the disposal, depositing, discharge, leaking or other release of any Hazardous Materials by Sellers at any of the Real Property;

(b) With respect to the period during which Sellers owned, leased or otherwise occupied the Tangible Personal Property and/or the Real Property and, to Seller’s Knowledge, at any other time, no Person has caused Hazardous Materials to be stored, deposited, treated, recycled, disposed of, or released at any Real Property owned, leased, used, operated or occupied by Sellers that would subject any owner or operator of such Real Property to liability for cleanup, removal or some other remedial action under any Environmental Laws;

4.18 Brokers. Except for the fees payable to Wachovia Capital Markets, LLC, which fees shall be paid by Sellers, Sellers do not have any obligation or liability to pay any finders’ or brokers’ fees or commissions with respect to the transactions contemplated by this Agreement.

4.19 Records. Seller has delivered or made available to Buyer true, correct and complete copies of all of the Records of the Station.

4.20 Digital Television. The Station has been assigned the channel listed on Schedule 4.20 (the “Digital Channel”) by the FCC for the provision of high definition digital television (“DTV”) service and has elected the channel listed on Schedule 4.20 as its post-digital transition channel. The Station Licenses listed in Schedule 4.13(a) include construction permits and modifications thereto (the “DTV CPs”) and all other authorizations necessary to operate the DTV facilities listed therein (the “DTV Facilities”). Except as expressly set forth in this Section 4.20 and Schedule 4.13(a), the DTV CPs are in full force and effect and the FCC has not taken any adverse action with respect thereto. Sellers were granted an extension to construct their digital facilities until November 18, 2007. Sellers will have completed construction and filed a license to cover application

by Closing. At Closing, no further technical action or modification will be required for the buildout of the DTV Facilities at the full parameters authorized by the DTV CPs.

4.21 MVPD Matters. The Station's signal is carried on substantially all of the cable systems serving the Station's Designated Market Area (as defined by A.C. Nielsen & Co. or its successor) pursuant to must carry or the retransmission consent agreements to which the Sellers are party which are listed on Schedule 4.21, and Sellers have no liability to any Person arising under or in respect of their performance of the Station's cable or satellite carriage agreements, including, without limitation, copyright royalties (except as listed on Schedule 4.21). Each such retransmission consent agreement is in full force and effect and, to the Knowledge of Sellers, there is no reason that a cable system operator or satellite program service provider would have the right to terminate such carriage during its current term. To the Knowledge of Sellers, since January 1, 2006, there has been (i) no change in the Station's carriage or channel position on any material Market MVPD System and (ii) no written notification to the Station that it may not be entitled to carriage on any Market MVPD System either because the Station fails to meet the requisite signal strength for such status or the Station would be considered a distant signal under the cable compulsory copyright license, 17 U.S.C. § 111.

4.22 No Other Representations and Warranties. Except for the representations and warranties contained in this Agreement, in the Exhibits, Schedules and Annexes to this Agreement, and in the certificates and other agreements required to be delivered pursuant to or in connection with this Agreement, none of the Piedmont Companies and any other Person acting for the Piedmont Companies makes any representation or warranty, express or implied, and the Piedmont Companies hereby disclaim any such representation or warranty, whether by the Piedmont Companies or their officers, directors, employees, agents, representatives or any other Person, with respect to the execution, delivery or performance by the Piedmont Companies of this Agreement or with respect to the transactions contemplated by this Agreement, notwithstanding the delivery or disclosure to Buyer or any of its officers, directors, employees, agents or representatives or any other Person of any documentation or other information by the Piedmont Companies or any of their officers, directors, employees, agents or representatives or any other Person with respect to any one or more of the foregoing.

ARTICLE 5: REPRESENTATIONS AND WARRANTIES OF BUYER

Buyer represents and warrants to the Piedmont Companies as follows:

5.1 Organization and Standing. Buyer is a limited liability company duly organized, validly existing and in good standing under the laws of the State of Delaware and is duly qualified to do business and in good standing in each jurisdiction in which such qualification is necessary for Buyer to own its assets and conduct its business. Prior to Closing, Buyer will be qualified to do business in the State of Alaska. Buyer has full power to own, lease, and operate its properties and to carry on its business as such is now conducted.

5.2 Authorization; Enforceability. The execution, delivery and performance of this Agreement by Buyer and all of the agreements, documents and instruments required under this Agreement, and the consummation by Buyer of the transactions contemplated hereby and thereby, are within the power of Buyer and have been duly authorized by all necessary action by Buyer and its members, and no approval from or notice to any of the members of Buyer is required regarding the same that has not been obtained or given, as applicable. This Agreement is, and the other agreements,

documents and instruments required by this Agreement will be, when executed and delivered by Buyer, the valid and binding obligations of Buyer, enforceable against it in accordance with their respective terms, subject only to bankruptcy, insolvency, reorganization, moratorium or similar laws at the time in effect affecting the enforceability or rights of creditors generally and by general equitable principles which may limit the right to obtain equitable remedies.

5.3 Absence of Conflicting Agreements; Consents. Neither the execution, delivery or performance of this Agreement by Buyer, nor the consummation of the transactions contemplated hereby by Buyer does or will, after the giving of notice, or the lapse of time or both, or otherwise:

(a) contravene, result in a breach of, or constitute a default under, any certificate of formation, bylaws, operating or limited liability company agreement or other applicable organizational or governing instruments or documents of Buyer;

(b) subject to obtaining the FCC Consent, contravene or violate in any material respect any material applicable law, statute, ordinance, rule or regulation, or any court or administrative order or process, of any Governmental Authority to which Buyer is a party or by which Buyer or its assets are bound;

(c) contravene in any material respect, or constitute a material default under, any material contract or agreement to which Buyer is a party or by which Buyer or its assets are bound;

(d) require the Consent of or notice to any Governmental Authority other than the FCC Consent; or

(e) require the Consent of any Person under any agreement, arrangement or commitment of any nature which Buyer is a party to or bound by or which the assets or properties of Buyer are bound or subject.

5.4 Buyer Qualifications. Buyer is legally, technically, financially and otherwise qualified as, and is not taking action or contemplating taking action that might disqualify it from being, under present or pending law (including the Communications Act) and present and pending rules, regulations and published policies or practices of the FCC, the holder of the Station Licenses, as an owner or operator of the Business or the Station, or as the owner of any or all of the Assets. Buyer knows of no fact, reason or proceeding that would: (i) disqualify Buyer as the assignee of the Station Licenses; (ii) cause the FCC to fail to approve in a timely fashion the Assignment Application; or (iii) cause the filing of any objection to the Assignment Application. Buyer further represents and warrants that it is financially qualified to meet all terms, conditions and undertakings contemplated by this Agreement, including the payment of the Purchase Price.

5.5 Absence of Litigation. There is no decree, judgment, order, litigation, arbitration proceeding or other legal or administrative proceeding pending or, to the knowledge of Buyer, threatened against Buyer or any of its subsidiaries or Affiliates in any federal, state or local court, or before any other Governmental Authority that could reasonably be expected have a material adverse effect on the financial condition, the business, assets or properties of Buyer or on Buyer's ability to purchase the Assets under this Agreement or to perform its obligations under this Agreement or any agreement, document or instrument required hereunder. To the knowledge of Buyer, there is no claim, demand or investigation pending or threatened against Buyer or any of its subsidiaries or Affiliates by or before any Governmental Authority that could reasonably be expected to have a material adverse effect on the financial condition, the business, assets or properties of Buyer or on

Buyer's ability to purchase the Assets under this Agreement or to perform its obligations under this Agreement or any agreement, document or instrument required hereunder.

5.6 Brokers. Buyer does not have any obligation or liability to pay any finders' or brokers' fees or commissions with respect to the transactions contemplated by this Agreement.

5.7 Financing. Buyer has, or will have at the Closing, all funds necessary to consummate the transactions contemplated by this Agreement, including payment of the Purchase Price and all necessary payments required of Buyer in connection with the transactions contemplated under this Agreement. Buyer acknowledges and agrees that the Closing is not contingent upon Buyer obtaining financing to pay the Purchase Price. Buyer has heretofore delivered to Sellers information concerning Buyer's ability to pay the Purchase Price at Closing.

5.8 No Other Representations and Warranties. Except for the representations and warranties contained in this Agreement, in the Exhibits, Schedules and Annexes to this Agreement, and in the certificates required to be delivered pursuant to or in connection with this Agreement, neither Buyer nor any other Person acting for Buyer makes any representation or warranty, express or implied, and Buyer hereby disclaims any such representation or warranty, whether by Buyer or its officers, directors, employees, agents, representatives or any other Person, with respect to the execution, delivery or performance by Buyer of this Agreement or with respect to the transactions contemplated by this Agreement, notwithstanding the delivery or disclosure to the Piedmont Companies or any of its officers, directors, employees, agents or representatives or any other Person of any documentation or other information by Buyer or any of its officers, directors, employees, agents or representatives or any other Person with respect to any one or more of the foregoing.

ARTICLE 6: PRE-CLOSING COVENANTS

6.1 Access. From the date of this Agreement until the earlier of the Closing Date or the termination of this Agreement pursuant to Section 12.1, Buyer and its authorized agents, officers and representatives shall have reasonable access upon reasonable advance notice, during normal business hours, to the offices, corporate-level management employees and Station-level management employees, properties, books and records of the Station that Buyer may reasonably request.

6.2 Notice of Certain Events

(a) From the date of this Agreement until the earlier of the Closing Date or the termination of this Agreement pursuant to Section 12.1, Sellers shall give Buyer prompt written notice of the occurrence of any of the following:

- (i) a loss, taking, condemnation, damage or destruction of or to any of the Assets involving in excess of Ten Thousand Dollars (\$10,000);
- (ii) the commencement of any material proceeding or litigation at law or in equity or before the FCC or any other Governmental Authority that involves the Main Station Licenses, other than proceedings or litigation of general applicability to the television broadcasting industry;
- (iii) any material labor grievance, strike, or other material labor dispute;

(iv) any material violation by Sellers of any federal, state or local law, statute, ordinance, rule or regulation known to Sellers;

(v) any notice of material breach, default, claimed default or termination of any material Assumed Contract;

(vi) any other material adverse developments with respect to the business or operations of the Station, including the loss of carriage or change in channel position away from other local network affiliates on any Market MVPD System or the cessation of broadcasting or material reduction by the Station of its authorized power for more than twenty-four (24) consecutive hours; or

(vii) the revocation, rescission, forfeiture, non-renewal, or material adverse modification of any material Station License, including but not limited to any FCC action resulting in a loss of interference protection for any Station's Part 73 facilities.

(b) Sellers and Buyer shall promptly notify the other in writing upon becoming aware of any order or decree or any complaint praying for an order or decree restraining, enjoining or challenging the consummation of this Agreement or the transactions contemplated hereunder (including challenges to the Assignment Applications), or upon receiving any notice from any Governmental Authority of its intention to institute an investigation into, or institute a suit or proceeding to restrain or enjoin the consummation of this Agreement or the transactions contemplated hereby. Sellers and Buyer will each use commercially reasonable efforts to contest, defend and resolve any such suit, proceeding or injunction brought against it so as to permit the prompt consummation of the transactions contemplated hereby.

6.3 Operations Pending Closing.

(a) From the date of this Agreement until the earlier of the Closing Date or the termination of this Agreement pursuant to Section 12.1, Sellers shall:

(i) operate the Business in all material respects in the ordinary course of business (except where such conduct would conflict with the covenants set forth herein or other obligations under this Agreement);

(ii) operate the Station in compliance in all material respects with applicable law, including the Communications Act and the rules and regulations of the FCC;

(iii) maintain the Tangible Personal Property in the ordinary course of business consistent with past practice to the extent commercially reasonable;

(iv) maintain policies of liability and casualty insurance of substantially similar coverage as the policies currently carried by the Piedmont Companies for the Business; and

(v) continue all necessary and normal capital expenditures.

(b) From the date of this Agreement until the earlier of the Closing Date or the termination of this Agreement pursuant to Section 12.1, Sellers shall not, without the prior written consent of Buyer, which shall not be unreasonably withheld or delayed:

(i) sell, assign, lease, or otherwise dispose of any of the Assets, except for inventory or supplies or other assets consumed or disposed of in the ordinary course of business, assets no longer used or held for use in the Business, or assets transferred or disposed of in connection with the acquisition of replacement property of substantially equivalent, or better, kind and use;

(ii) except for Contracts that Sellers are willing to designate as Excluded Contracts, enter into, renew, or materially and adversely modify or amend any Assumed Contract, unless any such Contract: (A) requires an annual payment by or on behalf of the Station of consideration consisting of no more than Ten Thousand Dollars (\$10,000); (B) will be subject to termination on no more than ninety (90) days' notice; or (C) will be fully performed and satisfied on or prior to the Closing Date;

(iii) except as required by applicable law or existing Contract, voluntarily agree to enter into any collective bargaining agreement applicable to any Employees or otherwise recognize any union as the bargaining representative of any such Employees; or

(iv) create, assume or permit to exist any Liens upon any of the Assets, except for Permitted Liens and Liens that will be discharged prior to or on the Closing Date.

(c) From the date of this Agreement until the earlier of the Closing Date or the termination of this Agreement pursuant to Section 12.1, Sellers shall:

(i) keep Buyer reasonably apprised of negotiations for Programming Contracts and promptly provide Buyer with copies of all Programming Contracts entered into by Sellers;

(ii) except in the ordinary course of Sellers' business consistent with past practices, not enter into any Tradeout Agreements relating to the Station that create obligations or liabilities of Sellers or the Station extending to or beyond the Closing Date;

(iii) not enter into any agreement providing for a delayed or deferred payment that Buyer would be obligated to pay after the Closing Date except in the ordinary course of its business;

(iv) on the Closing Date, be current on all of its payment obligations under the Contracts;

(v) exercise commercially reasonable efforts to maintain existing carriage of the Station's signals on all Market MVPD Systems;

(vi) follow Sellers' usual and customary policies with respect to extending credit for sales of broadcast time on the Station and collect all accounts receivable (including but not limited to those arising from extensions of credit) in accordance with Sellers' past practices consistently applied;

(vii) make commercially reasonable efforts to promote and advertise the Station in accordance with Sellers' past practices;

(viii) promptly provide Buyer with copies of all material correspondence with cable systems concerning must carry status, retransmission consent and other matters arising under the Cable Television Consumer Protection and Competition Act of 1992, and keep Buyer reasonably advised of the status of all negotiations with cable systems concerning such matters;

(ix) not materially change any accounting procedures, practices or methods (except for any change required under GAAP or applicable law); and

(x) not agree to or authorize any of the foregoing.

Whenever, pursuant to this Section 6.3, Sellers shall request the consent of Buyer, the request shall be sent to Buyer in accordance with Section 14.4. Unless Buyer gives or denies its written consent by the end of the third (3rd) Business Day after the request for consent is deemed given to Buyer, Buyer's written consent will be presumed to have been given as of such deadline.

6.4 FCC Reports. From and after the date of this Agreement and until the Closing, Sellers will furnish Buyer with copies of all reports filed with the FCC with respect to the Station after the date hereof within ten (10) Business Days after each such report has been filed, it being understood that the failure to timely comply with this covenant shall not in and of itself entitle Buyer to terminate this Agreement unless such failure has or is reasonably likely to have a Material Adverse Effect. After the Closing Date, Sellers shall furnish to Buyer all information required by the FCC relating to the operation of the Station prior to the Closing Date, provided that Sellers shall have no obligations to furnish any such information not in their possession.

6.5 Cooperation; Consents. Buyer and Sellers shall reasonably cooperate with each other and their respective counsel and accountants in connection with any actions reasonably required to be taken as part of their respective obligations under this Agreement, and Buyer and Sellers shall execute such other documents as may be reasonably necessary or desirable to obtain such Consents or to implement and consummate this Agreement, and otherwise use their commercially reasonable efforts to consummate the transactions contemplated by this Agreement and to fulfill their obligations under this Agreement. Sellers and Buyer shall each diligently make, and cooperate with the other in making, all commercially reasonable efforts to obtain or cause to be obtained prior to the Closing Date all Consents from third Persons that are parties to Assumed Contracts without any change in the terms or conditions of any Assumed Contract or Station License that could reasonably be expected to be materially less advantageous to Buyer than those pertaining under the Assumed Contract or Station License as in effect on the date of this Agreement. Anything to the contrary herein notwithstanding, Sellers shall not be required to pay any fees or provide or deliver any other consideration to any Person in order to obtain any Consent of such Person. Buyer agrees to use all commercially reasonable efforts to assist Sellers in obtaining such Consents, and to take all commercially reasonable actions necessary or desirable to obtain such Consents, including executing such assumption instruments and other documents as may be required in connection with obtaining the Consents.

6.6 Updating Schedules. Except with respect to updates to any Schedules that become necessary as a result of any action or event permitted under Section 6.3 (which updated Schedules will be provided prior to the Closing), Sellers shall promptly disclose in writing to Buyer, and Buyer shall promptly disclose in writing to Sellers, any information contained in its or their respective representations and warranties or any of the Schedules hereto that, because of an event occurring after the date of this Agreement, is no longer correct in all material respects as of all times after the

date of this Agreement and until the Closing Date. Any such disclosure shall be in the form of an updated Schedule, marked to reflect the new or amended information. In the event that Sellers or Buyer makes any such disclosure prior to the Closing and the Closing occurs, such disclosure shall be deemed to amend and supplement the representations and warranties and any applicable Schedule hereto, and in such event neither Buyer nor Sellers, as the case may be, shall have the right to be indemnified for any matter contained in such disclosure. Nothing contained in this Section 6.6 shall be construed as changing any party's right to terminate this Agreement as provided in Section 12.1, or a party's right to take certain actions permitted under Section 6.3.

6.7 Public Announcements. No party shall publish, issue or make any press release or make any other public announcement concerning this Agreement or the transactions contemplated by this Agreement without the prior written consent of the other party; provided, however, that (i) nothing contained in this Agreement shall prevent any party, after notification to the other party to the extent legally permissible, from making any filings with Governmental Authorities that, based on advice of legal counsel, may be required in connection with the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby and (ii) Sellers shall be permitted to publish and broadcast public notices concerning the filing of the Assignment Applications in accordance with the requirements of Section 73.3580 of the FCC's Rules.

6.8 Efforts. Without limiting the specific obligations of any party hereto under any agreement or covenant hereunder, each party hereto shall use commercially reasonable efforts to take all action and do all things necessary in order to consummate the transactions contemplated by this Agreement, including satisfaction, but not waiver, of the closing conditions set forth in Article 8 and Article 9.

6.9 Exclusivity. From the date of this Agreement until the earlier of the Closing Date or the termination of this Agreement pursuant to Section 12.1, none of the Piedmont Companies shall solicit the submission of any proposal or offer from any other Person relating to the acquisition of the Station or participate in any discussions or negotiations with any other Person relating thereto.

6.10 DTV Upgrades. Prior to the Closing, Sellers shall use commercially reasonable efforts, at their own cost and expense, to make all DTV Upgrades.

ARTICLE 7: SPECIAL COVENANTS AND AGREEMENTS

7.1 Employee Matters.

(a) Not less than thirty (30) days following the date of this Agreement, Buyer shall notify Sellers in writing of those Employees (the "Designated Employees") to whom Buyer has decided to offer employment. Buyer shall offer employment as of the Closing Date to each Designated Employee who remains employed by Sellers immediately prior to the Closing Date and physically reports to work on the Closing Date or, if absent from work on the Closing Date solely by reason of vacation or regularly scheduled non-working days, on the day immediately following such vacation or days off. Buyer shall also offer employment to each Designated Employee who remains employed by Sellers immediately prior to the Closing Date but is absent from work on the Closing Date for any reason other than vacation or regularly scheduled days off. All offers of employment shall include each Designated Employee's annual compensation which shall be comparable to that provided by Sellers immediately prior to the Closing Date. Each Designated Employee who is actively at work at the Station as of the Closing Date or returns to active work duty with the Station from an authorized leave of absence after the Closing Date in accordance with this Section 7.1(a) and

who accepts Buyer's offer of employment shall hereinafter be referred to as a "Transferred Employee." With respect to any Designated Employee who is on a short-term disability leave, workers' compensation leave, or other authorized leave of absence as of the Closing Date and who accepts Buyer's offer of employment, such employment with Buyer shall commence and such Designated Employee shall become a Transferred Employee as of the date that such Designated Employee is no longer on any such leave, provided that the Designated Employee reports to work with Buyer within one hundred eighty (180) days after such Designated Employee's original leave date and otherwise Buyer shall have no obligation to accept the Designated Employee as a Transferred Employee.

(b) Buyer shall (i) waive or cause to be waived all limitations as to preexisting conditions, exclusions and waiting periods with respect to participation and coverage requirements applicable to the Transferred Employees under any welfare or other applicable employee benefit plan that such employees may be eligible to participate in after the Closing Date, provided that such pre-existing conditions, exclusions and waiting periods were inapplicable to or had been satisfied by such employee or his or her covered dependents immediately prior to the Closing Date under the relevant Seller employee benefit plan and (ii) provide or cause to be provided to each Transferred Employee credit for any co-payment and deductibles paid prior to the Closing Date in satisfying any applicable deductible or out-of-pocket requirements under any welfare or other applicable employee benefit plans of Buyer that such employees are eligible to participate in after the Closing Date.

(c) Buyer agrees that, with respect to all of the employee benefit programs and arrangements covering or otherwise benefiting any of the Transferred Employees on or after the Closing Date, service with a Seller shall be included for purposes of determining any period of eligibility to participate or to vest in benefits under such programs and arrangements (but not for benefit accrual or any other purpose under such programs or arrangements).

(d) Buyer and Sellers agree to cooperate in good faith to determine whether any notification may be required under the WARN Act, as a result of the transactions contemplated under the Agreement and, if such notices are required, to provide such notice in a manner that is reasonably satisfactory to each of the parties hereto.

(e) To the extent Buyer sponsors a group health plan for the benefit of its employees, Buyer shall be responsible for providing notices and continuation options for any health plans of Sellers that may be required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) for Transferred Employees, for employees of Sellers whose employment with Sellers is terminated in connection with the purchase of the Assets, and for other employees of Sellers (and such employees dependents) entitled to COBRA continuation benefits, but Buyer shall not be responsible for any COBRA notices that were due before the Closing Date. Except as set forth in Schedule 7.1(e), there are no former employees of Sellers (or dependents of such former employees) who are receiving health coverage under the continuation of coverage rules of COBRA.

(f) This Section 7.1 shall operate exclusively for the benefit of the parties to this Agreement and not for the benefit of any other Person, including any current, former or retired employee of Sellers or Buyer (and, for the avoidance of doubt, any Transferred Employee or other Employee).

7.2 Further Assurances. From time to time after the Closing Date, upon the reasonable request of any party hereto, the other party or parties hereto shall execute and deliver or cause to be executed and delivered such further instruments of conveyance, assignment, transfer, acceptance and

assumption, and take such further action as the requesting party may reasonably request in order to fully effectuate the purposes, terms and conditions of this Agreement and the other agreements specified in this Agreement.

7.3 Confidentiality. Neither party will use or disclose to any other Person (except as may be necessary for the consummation of the transactions contemplated hereby, or as required by applicable law, and then, to the extent legally permissible, only with prior notice to the other party hereto) this Agreement or any information received from the other party hereto or their agents in the course of investigating, negotiating and performing the transactions contemplated by this Agreement; provided, however, that each party may disclose such information to such party's officers, directors, members, managers, employees, lenders, advisors, attorneys and accountants who need to know such information in connection with the consummation of the transactions contemplated by this Agreement and who are informed by such party of the confidential nature of such information and agree to be bound by the confidentiality covenants set forth in this Section 7.3. Each party shall be responsible to the other party for any breach by its officers, directors, stockholders, managers, members, employees, lenders, advisors, attorneys or accountants of such confidentiality covenants. Nothing shall be deemed to be confidential information that: (i) is already in such party's possession, prior to receipt from the other party or parties hereto or its or their agents, provided that such information is not known by such party to be subject to another confidentiality agreement with or other obligation of secrecy to the other party hereto or another party; (ii) becomes generally available to the public other than as a result of a disclosure by such party or such party's officers, directors, stockholders, managers, members, employees, lenders, advisors, attorneys or accountants in breach of this Section 7.3; (iii) becomes available to such party on a nonconfidential basis from a source other than another party hereto or its advisors, provided that such source is not known by such party to be bound by a confidentiality agreement with or other obligation of secrecy to the other party hereto or another party; or (iv) is developed independently by either party without resort to the confidential information of the other party. If this Agreement is terminated, then each party will return to the other party all information, including all documents, work papers and other written confidential material obtained by such party from the other party in connection with the transactions contemplated by this Agreement. The covenant contained in this Section 7.3 shall survive for a period of two (2) years from the earlier of the Closing Date or the date in which this Agreement is terminated pursuant to Section 12.1.

7.4 Access to Books and Records. Sellers shall provide Buyer reasonable access and the right to copy, at Buyer's expense, for a period of three (3) years from the Closing Date any books and records relating to the Assets but not included in the Assets. Buyer shall provide Sellers reasonable access and the right to copy, at Sellers' expense, for a period of three (3) years after the Closing Date any books and records relating to the Assets that are included in the Assets.

7.5 Event of Loss. Upon the occurrence of an Event of Loss prior to the Closing, Sellers shall take commercially reasonable steps to repair, replace and restore damaged, destroyed or lost property to its condition (or better) prior to any such loss, damage, or destruction. In the event of any such loss, damage, or destruction, the proceeds of any claim for any loss, payable under any insurance policy with respect thereto, shall be used to repair, replace, or restore any such property to its former (or better) condition subject to the conditions stated below. Subject to the following sentence, in the event that the property is not completely repaired, replaced or restored on or before the scheduled Closing Date, Buyer may elect to consummate the transaction and accept the Assets subject to such Event of Loss and receive a credit to the Purchase Price for the amount reasonably estimated by Buyer to restore such property to its condition prior to the Event of Loss. If Sellers

disagree with the amount as estimated by Buyer, and the parties' respective estimates differ by more than \$15,000, then the parties agree that the Accountants shall determine the amount of the credit. If parties' estimates differ by less than \$15,000, then in determining the amount of the credit, the amount of the difference shall be split between Buyer, on the one hand, and Sellers, on the other hand; provided, however, that the amounts so split shall constitute "Losses" for purposes of the deductibles described at Sections 11.2(b)(i) and 11.3(b)(i), respectively. If Buyer has elected to proceed to Closing and receives a credit as provided above, then Buyer shall be deemed to have waived any breach of representation, warranties or covenants set forth in this Agreement with respect to such Event of Loss and the Buyer Indemnified Parties will have no rights to indemnification under Article 11 with respect to such Event of Loss. If Buyer has not elected to proceed to Closing and receive a credit as provided above, and the property shall not have been substantially repaired, replaced or restored within a reasonable period of time and such failure has a Material Adverse Effect, then Buyer may terminate this Agreement upon ten (10) days' written notice to Sellers.

7.6 Bulk Transfer. Buyer and Sellers hereby waive compliance with the bulk transfer provisions of the Uniform Commercial Code and all similar laws to the extent applicable.

7.7 Non-Solicitation by Buyer. If this Agreement is terminated, then Buyer shall not, beginning on the effective date of termination and continuing for a period of two (2) years thereafter, (a) without the prior written approval of Sellers, directly or indirectly, hire, solicit, encourage, entice or induce any Employees on the date hereof or at any time hereafter that precedes such termination, to terminate his or her employment with Sellers (provided that general advertisements in the media not directed at the Employees shall not be prohibited by this Section 7.7), or (b) solicit, entice, divert, or take away from Sellers or the Business any customers, advertisers, suppliers and others having business relations with Sellers or the Station, or attempt to do the same, or otherwise interfere in any respect with the Business or with Sellers' relationships with such Persons. Buyer agrees that any remedy at law for any breach by it of this Section 7.7 would be inadequate, and Sellers would be entitled to injunctive relief in such a case, in addition to any other remedies at law to which Sellers may be entitled. If it is ever held that the restrictions placed on Buyer by this Section 7.7 are too onerous and are not necessary for the protection of Sellers, then the parties agree that any court of competent jurisdiction may reduce the duration or scope hereof, or delete specific words or phrases, and in its reduced form such provision will then be enforceable and will be enforced.

ARTICLE 8: CONDITIONS PRECEDENT OF BUYER

The obligation of Buyer to consummate the transactions to be performed by it at the Closing is subject to the satisfaction of each of the following conditions prior to or at the Closing Date:

8.1 Representations, Warranties and Covenants.

(a) All representations and warranties of the Piedmont Companies made in this Agreement shall be true and correct on and as of the Closing Date as if made on and as of that date and as though the Closing Date were substituted for the date of this Agreement, except (i) to the extent that any such representations and warranties were made as of a specified date, and as to such representations and warranties the same shall continue on the Closing Date to have been true and correct as of the specified date, and (ii) where the breach of any such representations or warranties does not, either individually or in the aggregate, have a Material Adverse Effect (provided that, for purposes of application of this clause (ii), all materiality or Material Adverse Effect qualifications within any or all such representations and warranties shall be disregarded and deemed omitted).

(b) The Piedmont Companies shall have performed and complied in all respects with all covenants and agreements required by this Agreement to be performed or complied with by them prior to or on the Closing Date, except where such non-compliance does not, either individually or in the aggregate, have a Material Adverse Effect (provided that all materiality or Material Adverse Effect qualifications within any or all such covenants and agreements shall be disregarded and deemed omitted).

8.2 FCC Consent; Governmental Consents. The FCC Consent shall have been issued, and shall, at Closing, be a Final Order and in full force and effect and shall contain no provision that is reasonably likely to have a material adverse effect on Buyer (other than provisions generally applicable to holders of similar FCC licenses, authorizations and permits). All other material authorizations, consents or approvals of any and all Governmental Authorities necessary in connection with the Closing shall have been obtained and be in full force and effect.

8.3 Required Consents. All Consents set forth on Schedule 8.3 (collectively, the "Required Consents") shall have been obtained.

8.4 Absence of Proceedings. No injunction, restraining order or decree of any nature of any Governmental Authority of competent jurisdiction shall be in effect enjoining or preventing consummation of the transactions contemplated by this Agreement, and no action or proceeding by or before any Governmental Authority (other than an action or proceeding instituted or threatened by or on behalf of Buyer) shall have been instituted or threatened (and not subsequently dismissed, settled or otherwise terminated) that is reasonably likely to (i) restrain, prohibit or invalidate the transactions contemplated by this Agreement or (ii) have a Material Adverse Effect.

8.5 Deliveries at Closing. The Piedmont Companies shall have made or shall stand willing to make all deliveries required under Section 10.2.

8.6 No Material Adverse Effect. No Material Adverse Effect shall have occurred and be continuing; provided, however, that for purposes of this Closing condition, a reduction in broadcast cash flow (and the components thereof, including revenue and expenses) resulting from the normal operation of the Station shall not, in and of itself, be considered a Material Adverse Effect.

8.7 Absence of Liens; Payoff Letters. On the Closing Date and simultaneously with the Closing, there shall not be any Liens on the Assets except for the Permitted Liens and Liens to be removed at Closing. Sellers shall deliver to Buyer copies of any payoff letters for all existing indebtedness of Sellers that will not be included in the Assumed Liabilities, including the Financing Leases.

If any of the conditions set forth in this Article 8 have not been satisfied prior to or at the Closing, then Buyer in its sole discretion may waive any such condition (to the extent not prohibited by applicable law) and nevertheless elect to proceed with the consummation of the transactions contemplated hereby. Buyer may not rely on the failure of any condition set forth in this Article 8 if such failure was caused by Buyer's failure to comply with any term or provision of this Agreement.

ARTICLE 9: CONDITIONS PRECEDENT OF PIEDMONT COMPANIES

The obligation of the Piedmont Companies to consummate the transactions to be performed by them at the Closing is subject to the satisfaction of each of the following conditions prior to or at the Closing Date:

9.1 Representations, Warranties and Covenants.

(a) All representations and warranties of Buyer made in this Agreement shall be true and correct on and as of the Closing Date as if made on and as of that date and as though the Closing Date were substituted for the date of this Agreement, except (i) to the extent that any such representations and warranties were made as of a specified date, and as to such representations and warranties the same shall continue on the Closing Date to have been true and correct as of the specified date, and (ii) where the breach of any such representations or warranties does not, either individually or in the aggregate, have a material adverse effect on Buyer's ability to consummate the transactions contemplated hereby (provided, that for purposes of application of this clause (ii) all materiality qualifications within any or all such representations and warranties shall be disregarded and deemed omitted).

(b) Buyer shall have performed and complied in all respects with all covenants and agreements required by this Agreement to be performed or complied with by it prior to or on the Closing Date, except where such non-compliance does not, either individually or in the aggregate, have a material adverse effect on Buyer's ability to consummate the transactions contemplated hereby (provided that all materiality qualifications within any or all such covenants and agreements shall be disregarded and deemed omitted).

9.2 FCC Consent; Governmental Consents. The FCC Consent shall have been granted and shall be a Final Order, except as set forth in Section 10.1. All other material authorizations, consents or approvals of any and all Governmental Authorities necessary in connection with the Closing shall have been obtained and be in full force and effect.

9.3 Absence of Proceedings. No injunction, restraining order or decree of any nature of any Governmental Authority of competent jurisdiction shall be in effect enjoining or preventing consummation of the transactions contemplated by this Agreement, and no action or proceeding by or before any Governmental Authority (other than an action or proceeding instituted or threatened by Sellers) shall have been instituted or threatened (and not subsequently dismissed, settled or otherwise terminated) that is reasonably likely to (i) restrain, prohibit or invalidate the transactions contemplated by this Agreement or (ii) have a Material Adverse Effect.

9.4 Deliveries at Closing. Buyer shall have made or stand willing to make all deliveries required under Section 10.3.

9.5 Release of Lien on Pledged Units. All indebtedness of Holdings and its subsidiaries to General Electric Capital Corporation shall have been satisfied in full or the pledge of Fielder's limited liability company interests in Holdings and/or its subsidiaries securing such indebtedness shall have been terminated at or prior to Closing.

If any of the conditions set forth in this Article 9 have not been satisfied prior to or at the Closing, then Sellers may waive any of such conditions (to the extent not prohibited by applicable law) and nevertheless elect to proceed with the consummation of the transactions contemplated hereby. Sellers may not rely on the failure of any condition set forth in this Article 9 if such failure was caused by Sellers' failure to comply with any term or provision of this Agreement.

ARTICLE 10: CLOSING AND CLOSING DELIVERIES

10.1 Closing. The Closing shall occur on (i) the tenth (10th) Business Day following the date the FCC Consent shall have become a Final Order, or (ii) if later, the first (1st) Business Day following the satisfaction or waiver of the conditions precedent set forth in Article 8 and Article 9, but in any event no later than the Termination Date, and shall be held at the offices of Wyrick Robbins Yates & Ponton LLP, 4101 Lake Boone Trail, Suite 300, Raleigh, North Carolina at 9:00 a.m. local time, or at such other time and place as Sellers and Buyer may mutually agree. ARTICLE 11: SURVIVAL; INDEMNIFICATION

11.1 Survival. All of the representations and warranties of the parties hereto contained in the Agreement, and any claims related to the performance of any covenant or agreement of the parties contained in this Agreement prior to or at the Closing ("Pre-Closing Covenants"), shall survive the Closing and continue in full force and effect for a period of one (1) year after the Closing Date (after which such representations, warranties and claims for Pre-Closing Covenants will terminate and be of no further force or effect unless notice of a claim is given by a Claimant to the Indemnifying Party prior to expiration, which claims shall survive until resolved), except that (i) the representations and warranties set forth in Section 4.17 (Environmental Compliance) shall survive the Closing for a period of three (3) years (after which time such representations and warranties and covenants will terminate and be of no further force or effect unless notice of a claim is given by a Claimant to the Indemnifying Party prior to expiration, which claims shall survive until resolved), and (ii) the representations and warranties set forth in Section 4.12 (Taxes) shall survive the Closing until ninety (90) days after the expiration of the applicable statute of limitations (after which time such representations and warranties will terminate and be of no further force or effect unless notice of a claim is given by a Claimant to the Indemnifying Party prior to expiration, which claims shall survive until resolved) and (iii) the representations and warranties set forth in Section 4.1, Section 4.2, Section 4.3(a) and (g), Section 4.4(a), Section 4.18, Section 5.1, Section 5.2, Section 5.3(a) and Section 5.6 shall survive the closing indefinitely. The covenants and agreements of the parties set forth in this Agreement to be performed after the Closing shall survive the Closing until fully performed and discharged. The applicable period of such survival set forth in this Section subsequent to Closing is referred to as the "Survival Period." Any claims as to a breach or default of a representation, warranty, covenant or agreement (including a Pre-Closing Covenant) under Section

11.2 or Section 11.3 must be asserted in writing with reasonable particularity by the party making such claim within the applicable Survival Period.

11.2 Indemnification by the Piedmont Companies.

(a) After the Closing occurs and subject to the survival provisions set forth in Section 11.1, the other limitations set forth in this Article 11 and the other terms and provisions of this Agreement, the Piedmont Companies, jointly and severally, agree to defend, indemnify and hold harmless Buyer and its respective officers, directors, members, managers, agents, Affiliates, representatives and employees (and each of the heirs, representatives, successors and assigns of the foregoing) (collectively, "Buyer Indemnified Parties") from, against, and in respect of all Losses resulting from:

(i) Any inaccuracy in or breach of the representations and warranties made by the Piedmont Companies in or pursuant to this Agreement or the Schedules or any instruments, certificate or document furnished by the Piedmont Companies to Buyer under this Agreement;

(ii) Any failure by the Piedmont Companies to perform any covenant or agreement set forth herein or in any certificate, document or instrument prepared, executed and delivered by the Piedmont Companies to Buyer under this Agreement; and

(iii) Any failure by Sellers to carry out, perform or otherwise fulfill any of the Retained Liabilities.

(b) Anything to the contrary in this Agreement notwithstanding, the Piedmont Companies' obligation to indemnify Buyer Indemnified Parties pursuant to Section 11.2(a) shall be subject to all of the following limitations:

(i) The Piedmont Companies shall not be required to indemnify or hold Buyer Indemnified Parties harmless under Section 11.2(a) until the aggregate amount of Losses for which the Piedmont Companies are liable under Section 11.2(a) exceed an aggregate deductible of Thirty Five Thousand Dollars (\$35,000) and then only with respect to the amount of such Losses in excess of such amount;

(ii) Buyer Indemnified Parties shall be entitled to indemnification only for those Losses arising with respect to any claim as to which Buyer has given the Piedmont Companies written notice within the applicable Survival Period;

(iii) Except for any claims involving any inaccuracy in or breach of any representations and warranties of the Piedmont Companies set forth in Section 4.2 (Authorization; Enforceability) and Section 4.4(a) (Tangible Personal Property), if the liability of the Piedmont Companies for claims asserted pursuant to Section 11.2(a) of this Agreement exceeds an aggregate amount equal to Three Hundred Fifty Thousand Dollars (\$350,000), then the Piedmont Companies shall have no further liability or obligation to indemnify or hold harmless the Buyer Indemnified Parties under Section 11.2(a) of this Agreement, and except as set forth above, Buyer Indemnified Parties waive and release and shall have no recourse against the Piedmont Companies in excess of such amount in connection with any claim asserted pursuant to Section 11.2(a) of this Agreement; and

(iv) No Related Party of the Piedmont Companies (other than another Piedmont Company or the Members of Holdings pursuant to the Limited Indemnity Guaranty) shall have (A) any personal liability to Buyer Indemnified Parties as a result of the breach or default of any representation, warranty, covenant or agreement of the Piedmont Companies contained herein or otherwise arising out of or in connection with the transactions contemplated hereby or thereby or the operations of the Station or the Business or (B) any personal obligation to indemnify the Buyer Indemnified Parties for any of the Buyer Indemnified Parties' claims pursuant to Section 11.2(a), and the Buyer Indemnified Parties waive and release and shall have no recourse against any of such Related Parties as a result of the breach or default of any representation, warranty, covenant or agreement of the Piedmont Companies contained herein or otherwise arising out of or in connection with the transactions contemplated hereby or the operations of the Station or the Business.

(v) Notwithstanding anything to the contrary contained in this Agreement or otherwise, no fact or circumstance that occurs on or after the date of this Agreement as a result of any action or omission by Buyer shall be deemed to give rise to or result in a breach or default of any the Piedmont Companies' representations, warranties, agreements or covenants under this Agreement or any other agreement entered into between any of the Piedmont Companies or Buyer in connection herewith nor shall Buyer be entitled to seek indemnification from any of the Piedmont Companies with respect to any breach of a representation, warranty or covenant of the Piedmont Companies hereunder of which Buyer had knowledge prior to or on the date of Closing.

11.3 Indemnification by Buyer.

(a) After the Closing occurs and subject to the survival provisions set forth in Section 11.1, the other limitations set forth in this Article 11 and the other terms and provisions of this Agreement, Buyer agrees to defend, indemnify and hold harmless the Piedmont Companies and their respective directors, officers, members, managers, agents, Affiliates, representatives and employees (and each of the heirs, representatives, successors and assigns of the foregoing) (collectively, the "Seller Indemnified Parties") from, against, and in respect of all Losses resulting from:

(i) Any inaccuracy in or breach of the representations and warranties made by Buyer in or pursuant to this Agreement, the Schedules or in any certificate, document or instrument furnished by Buyer to the Piedmont Companies under this Agreement;

(ii) Any failure by Buyer to perform any covenant or agreement set forth herein or in any certificate, document or instrument furnished by Buyer to the Piedmont Companies under this Agreement; and

(iii) Any failure by Buyer to carry out, perform or otherwise fulfill any of the Assumed Liabilities.

(b) Anything to the contrary in this Agreement notwithstanding, Buyer's obligation to indemnify the Seller Indemnified Parties pursuant to Section 11.3(a) shall be subject to all of the following limitations:

(i) Buyer shall not be required to indemnify or hold the Seller Indemnified Parties harmless under Section 11.3(a) until the aggregate amount of Losses for which Buyer is liable under Section 11.3(a) exceed an aggregate deductible of Thirty Five Thousand Dollars (\$35,000) and then only with respect to the amount of such Losses in excess of such amount;

(ii) The Seller Indemnified Parties shall be entitled to indemnification only for those Losses arising with respect to any claim as to which the Seller Indemnified Parties have given Buyer written notice within the applicable Survival Period;

(iii) Except for any claims involving any inaccuracy in or breach of any representations and warranties of Buyer set forth in Section 5.2 (Authorization; Enforceability), if the liability of Buyer for claims asserted pursuant to Section 11.3(a) of this Agreement exceeds an aggregate amount equal to Three Hundred Fifty Thousand Dollars (\$350,000), then Buyer shall have no further liability or obligation to indemnify or hold harmless the Seller Indemnified Parties under Section 11.3(a) of this Agreement, and except as set forth above, the Seller Indemnified Parties waive and release and shall have no recourse against Buyer in excess of such amount in connection with any claim asserted pursuant to Section 11.3(a) of this Agreement; and

(iv) No Related Party of Buyer shall have (A) any personal liability to the Seller Indemnified Parties as a result of the breach or default of any representation, warranty, covenant or agreement of Buyer contained herein or otherwise arising out of or in connection with the transactions contemplated hereby or thereby or the operations of the Station or the Business or (B) any personal obligation to indemnify the Seller Indemnified Parties for any of the Seller Indemnified Parties' claims pursuant to Section 11.3(a), and the Seller Indemnified Parties waive and release and shall have no recourse against any of such Related Parties as a result of the breach or default of any representation, warranty, covenant or agreement of Buyer contained herein or otherwise arising out of or in connection with the transactions contemplated hereby or thereby or the operations of the Station or the Business.

11.4 Indemnification Procedures. The procedures for indemnification under this Agreement shall be as follows:

(a) The Buyer Indemnified Parties or the Seller Indemnified Parties claiming indemnification (the "Claimant") shall promptly give notice to the party from which indemnification is claimed (the "Indemnifying Party") of any claim, specifying in reasonable detail the factual basis for the claim, the amount thereof, estimated in good faith, all with reasonable particularity and containing a reference to the provisions of this Agreement in respect of which such indemnification claim shall have occurred. If the claim relates to an action, suit or proceeding filed by another Person against the Claimant, then such notice shall be given by the Claimant within ten (10) Business Days after written notice of such action, suit or proceeding was given to the Claimant and shall include true and complete copies of all suit, service and claim documents, all other relevant documents in the possession of the Claimant, and an explanation of the Claimant's contentions and defenses with as much specificity and particularity as the circumstances permit; provided, however, that the failure or delay of the Claimant to provide such notice shall not release the Indemnifying Party from any of its obligations under this Article 11 unless (and then solely to the extent that) the Indemnifying Party is materially prejudiced thereby.

(b) With respect to claims solely between the parties, following receipt of notice from the Claimant of a claim, the Indemnifying Party shall have forty-five (45) days to make such investigation of the claim as the Indemnifying Party reasonably deems necessary or desirable, and the Claimant agrees to make available to the Indemnifying Party and its authorized representatives the information relied upon by the Claimant to substantiate the claim. If the Claimant and the Indemnifying Party agree at or prior to the expiration of such forty-five (45)-day period to the validity and amount of such claim, then the Indemnifying Party shall promptly pay to the Claimant the full amount of the claim, subject to the terms and limitations hereof. If the Claimant and the Indemnifying Party do not agree within such forty-five (45)-day period, then the Claimant may seek appropriate remedy at law or in equity, as applicable, subject to the terms and limitations hereof.

(c) With respect to any claim by any other Person against the Claimant (a “Third Party Claim”), the Indemnifying Party shall have the right at its own expense, to participate in or assume control of the defense of such claim, and the Claimant shall cooperate fully with the Indemnifying Party. If the Indemnifying Party elects to assume control of the defense of any Third Party Claim, then (i) the Claimant shall have the right to participate in the defense of such claim at its own expense and shall not settle or compromise the Third Party Claim and (ii) the Indemnifying Party shall have the power and authority to settle or consent to the entry of judgment in respect of the Third Party Claim without the consent of the Claimant if the judgment or settlement results only in the payment by the Indemnifying Party of the full amount of money damages and includes a release of the Claimant from any and all liability thereunder, and, in all other events, the Indemnifying Party shall not consent to the entry of judgment or enter into any settlement in respect of a Third Party Claim without the prior written consent of the Claimant, which consent shall not be unreasonably withheld or delayed. If the Indemnifying Party does not elect to assume control or otherwise participate in the defense of any Third Party Claim, then the Claimant may defend through counsel of its own choosing and in such manner as it reasonably deems appropriate but the Claimant may only settle such Third Party Claim with the consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed. The Claimant shall make available to the Indemnifying Party or its representatives all records and other materials in the Claimant’s possession reasonably required by them for their use in contesting or defending any Third Party Claim.

(d) Subject to the limitations set forth herein and without expanding the total liability of Buyer or the Piedmont Companies hereunder, the indemnification rights provided in Section 11.2 and Section 11.3 shall extend to the Related Parties of any Claimant although for the purpose of the procedures set forth in this Section 11.4, any indemnification claims by such Related Parties shall be made by and through the Claimant.

11.5 Adjustment to Indemnification Payments. Any payment made by an Indemnifying Party to the Claimant pursuant to Section 11.2 or Section 11.3 shall be reduced by an amount equal to any insurance payments with respect to such claim actually received by the Claimant. The parties shall be obligated to prosecute, or to cause their appropriate Affiliate to prosecute, diligently and in good faith any claim for Losses with any applicable insurer. In any case where a Claimant or any of its Affiliates recovers from third parties any payments in respect of a matter with respect to which an Indemnifying Party has indemnified and paid to it pursuant to Section 11.2 or Section 11.3, such Claimant shall promptly pay over to the Indemnifying Party the amount so recovered (after deducting therefrom the full amount of the expenses reasonably incurred by it in procuring such recovery), but not in excess of the sum of (i) any amount previously so paid by the Indemnifying Party to or on behalf of the Claimant in respect of such matter and (ii) any reasonable amount expended by the Indemnifying Party and its Affiliates in pursuing or defending any claim arising out of such matter.

11.6 Additional Indemnification Limitations; Exclusive Remedy.

(a) No Claimant shall be entitled to recover from an Indemnifying Party for any Losses as to which indemnification is provided under this Agreement any amount in excess of the actual compensatory damages, court costs and reasonable attorney fees suffered by such party; and the Buyer Indemnified Parties and the Seller Indemnified Parties waive any right to recover punitive, special, indirect, exemplary and consequential damages arising in connection with or with respect to Losses under the indemnification provisions of this Agreement.

(b) Anything to the contrary in this Agreement notwithstanding, after the Closing, the sole and exclusive remedy for the Buyer Indemnified Parties for any claim or Loss (whether such claim or Loss in respect thereof is framed in tort, contract or otherwise) arising out of a breach or default of any representation, warranty, covenant or other agreement of the Piedmont Companies under or pursuant to this Agreement or otherwise arising out of or in connection with the transactions contemplated by this Agreement or the operations of the Station or the Business shall be a claim for indemnification pursuant to this Article 11.

ARTICLE 12: TERMINATION

12.1 Termination. This Agreement may be terminated at any time prior to the Closing as follows:

(a) by mutual written consent of Sellers and Buyer;

(b) by Buyer, if the Piedmont Companies are in material breach or default of their representations, warranties, covenants or obligations under this Agreement, including Sellers' obligation to consummate the Closing in accordance with Section 10.1, and either (i) such breach or default on the part of the Piedmont Companies shall not have been cured or waived within thirty (30) days after written notice thereof from Buyer to the Piedmont Companies (or such longer period of time as may be reasonable under the circumstances); or (ii) the Piedmont Companies shall not have provided reasonable assurance to Buyer that such breach or default on the part of the Piedmont Companies shall be cured on or before the Closing Date; but only if such breach or default on the part of the Piedmont Companies, singly or together with all other such breaches or defaults on the part of the Piedmont Companies, constitutes a failure of a condition set forth in Section 8.1 as of the date of such termination, provided that the Piedmont Companies shall have no right to any such cure period with respect to any breach or default of the Piedmont Companies' obligations to execute and deliver the agreements, certificates, instruments and documents set forth in Section 10.2;

(c) by Sellers, if Buyer is in material breach or default of its representations, warranties, covenants or obligations under this Agreement, including Buyer's obligation to consummate the Closing in accordance with Section 10.1, and either (i) such breach or default on the part of Buyer shall not have been cured or waived within thirty (30) days after notice thereof from Sellers to Buyer (or such longer period of time as may be reasonable under the circumstances); or (ii) Buyer shall not have provided reasonable assurance to Sellers that such breach or default on the part of Buyer shall be cured on or before the Closing Date; but only if such breach or default on the part of Buyer, singly or together with all other such breaches or defaults on the part of Buyer, constitutes a failure of a condition set forth in Section 9.1 as of the date of such termination, provided that Buyer shall have no right to any such cure period with respect to any breach or default of Buyer's obligations to pay the Purchase Price in full and execute and deliver the agreements, certificates, instruments and documents set forth in Section 10.3;

(d) by either Buyer or Sellers, if the Closing hereunder has not taken place on or before the Termination Date; provided, however, that if on the Termination Date, the Closing has not occurred solely because any required notice period for Closing under this Agreement has not lapsed, then such date shall be extended until the lapse of such period; or

(e) by Buyer pursuant to Section 7.5.

Notwithstanding the foregoing, no party may effect a termination of this Agreement if such party is in material breach or default of its representations, warranties, covenants or obligations under this Agreement.

12.2 Procedure and Effect of Termination.

(a) If this Agreement is terminated by either or both of Buyer or Sellers pursuant to Section 12.1, prompt written notice thereof shall forthwith be given to the other party and this Agreement shall terminate and the transactions contemplated hereby shall be abandoned without further action by any of the parties hereto, but subject to and without limiting any of the rights of the parties set forth in this Agreement if a party is in default or breach of its representations, warranties, covenants or obligations under this Agreement. If this Agreement is terminated as provided herein:

(i) Except as set forth in Section 12.2(b) below, none of the parties hereto nor any of their respective partners, directors, officers, managers, members, shareholders, owners, employers, agents, representatives or Affiliates (each, a “Related Party”) shall have any liability or further obligation to the other party (other than to the extent of joint and several liability among the Piedmont Companies as expressly set forth in this Agreement) or any of their respective Related Parties pursuant to this Agreement with respect to which termination has occurred, except for the obligations of Sellers and Buyer (but not including Sellers’ or Buyer’s Related Parties) as stated in Sections 4.18 (Sellers’ Broker), 5.6 (Buyer’s Broker), 7.3 (Confidentiality), 7.7 (Non-Solicitation), and 13.2 (Governmental Filing Fees), 13.3 (Expenses), Article 14 (Miscellaneous) and this Article 12; and

(ii) All filings, applications and other submissions relating to the transactions contemplated hereby as to which termination has occurred shall, to the extent practicable, be withdrawn from the Governmental Authority or other Person to which made.

(b) (i) If this Agreement is terminated: (A) by Sellers pursuant to Section 12.1(c); or (B) by Sellers pursuant to Section 12.1(d), provided that, with respect to this clause (B), only if Buyer is in material breach or default of its representations, warranties, covenants or obligations under this Agreement, then Sellers shall have the right to foreclose upon and retain as liquidated damages the Pledged Units and related collateral pledged to Sellers pursuant to the Pledge Agreement, and such liquidated damages shall be the Piedmont Companies’ sole and exclusive remedy and shall be in lieu of any other remedies at law or in equity to which the Piedmont Companies might otherwise be entitled. Buyer and the Piedmont Companies each acknowledges and agrees that such liquidated damages amount is reasonable in light of the anticipated harm which would be caused by Buyer’s breach of or default under this Agreement, the difficulty of proof of loss, the inconvenience and infeasibility of otherwise obtaining an adequate remedy, and the value of the transactions to be consummated hereunder. The parties agree that the liquidated damages provided in this Section are intended to limit the claims that the Piedmont Companies may have against Buyer;

(ii) If this Agreement is terminated: (A) by Buyer pursuant to Section 12.1(b); or (B) by Buyer pursuant to Section 12.1(d), provided that, with respect to this clause (B), only if the Piedmont Companies are in material breach or default of their representations, warranties, covenants or obligations under this Agreement, then the Pledge Agreement shall be terminated (and the Pledged Units and related collateral thereunder returned to Buyer) without limitation of any other remedies available to Buyer;

(iii) If this Agreement is terminated: (A) pursuant to Section 12.1(a); (B) by either party pursuant to Section 12.1(d), provided that, with respect to this clause (B), only if neither Buyer nor the Piedmont Companies are in material default or breach of its or their respective representations, warranties, covenants or obligations under this Agreement; or (C) by Buyer pursuant to Section 12.1(e), then the Pledge Agreement shall be terminated (and the Pledged Units and related collateral thereunder returned to Buyer), and neither Buyer nor the Piedmont Companies shall have any recourse against the other, including any right to pursue any legal or equitable remedy for breach of contract or otherwise (except for the terms and provisions of this Agreement that survive such termination);

(iv) Without limiting the generality of the foregoing, or any applicable law, neither Buyer, on the one hand, nor Sellers, on the other hand, may rely on the failure of any condition precedent set forth in Article 8 or Article 9 to be satisfied as a ground for termination of this Agreement by such party if such failure was caused by such party's failure to act in good faith, or a breach of or failure to perform any of its representations, warranties, covenants or obligations in accordance with the terms of this Agreement;

(v) Notwithstanding any termination of this Agreement pursuant to Section 12.1, the obligations of the parties described in Sections 4.18 (Sellers' Broker), 5.6 (Buyer's Broker), 7.3 (Confidentiality), 7.7 (Non-Solicitation), 13.2 (Governmental Filing Fees), and 13.3 (Expenses), Article 14 (Miscellaneous) and this Article 12 will survive any such termination. Notwithstanding any termination of this Agreement pursuant to Section 12.1 and subject to the limitations set forth in Section 12.2(b)(i), no such termination of this Agreement will relieve any party from liability for any misrepresentation or breach of any representation, warranty, covenant or agreement set forth in this Agreement prior to such termination; and

12.3 Attorneys' Fees. In the event of a breach or default by either party that results in a claim for indemnification under this Agreement, lawsuit or other proceeding for any remedy available under this Agreement, the prevailing party shall be entitled to reimbursement from the other party of its reasonable legal fees and expenses (whether incurred in investigation, settlement, arbitration, at trial or on appeal).

12.4 Specific Performance. The parties recognize and agree that Buyer has relied on this Agreement and expended considerable effort and resources related to the transactions contemplated hereunder, that the right and benefits conferred upon Buyer herein are unique, and that damages may not be adequate to compensate Buyer in the event Sellers improperly refuse to consummate the transactions contemplated hereunder. The parties therefore agree that Buyer shall be entitled, at its option and in lieu of terminating this Agreement pursuant to Section 12.1, to have this Agreement specifically enforced by a court of competent jurisdiction; provided, however, that Buyer may not specifically enforce this Agreement if it has previously terminated this Agreement.

ARTICLE 13: TRANSFER TAXES; FEES AND EXPENSES

13.1 Transfer and Other Taxes. All transfer, documentary, sales, use, stamp, registration and other such Taxes and fees, including penalties and interest, if any, but exclusive of any income Taxes, incurred in connection with the transfer of the Assets to Buyer as contemplated herein (collectively, "Transfer Taxes") shall be borne and paid equally by Buyer, on the one hand, and Sellers, on the other hand. Each party agrees to cooperate with such other parties in the timely completion, execution and filing of any documentation required by any local or state Governmental Authority in connection with the Transfer Taxes.

13.2 Governmental Filing Fees. All FCC filing fees incurred pursuant to Section 3.1 shall be borne and paid equally by Buyer, on the one hand, and Sellers, on the other hand. Any filing or grant fees imposed by any Governmental Authority (other than the FCC) shall be borne and paid entirely by Buyer.

13.3 Expenses. Except as otherwise provided in this Agreement, each party shall pay its own costs and expenses incurred in connection with the authorization, preparation, execution and performance of this Agreement, including all fees and expenses of counsel, accountants, agents and representatives.

ARTICLE 14: MISCELLANEOUS

14.1 Entire Agreement; Amendment. This Agreement, the Annexes, the Schedules and Exhibits hereto, and all documents and certificates executed and delivered pursuant to this Agreement in connection with the Closing under Article 10, collectively constitute the entire agreement between the parties pertaining to the subject matter hereof, and supersede all prior and contemporaneous agreements, understandings, negotiations and discussions of the parties, whether oral or written, and there are no warranties, representations or other covenants or agreements between or among the parties in connection with the subject matter hereof, except as specifically set forth herein. No amendment, supplement, modification, waiver or termination of this Agreement shall be binding unless executed in writing by the party to be bound thereby.

14.2 Waivers; Consents. Except as otherwise provided in this Agreement, any failure of any of the parties to comply with any obligation, representation, warranty, covenant, agreement or condition set forth in this Agreement may be waived by the party entitled to the benefits thereof only by a written instrument signed by the party granting such waiver. Any of the conditions to Closing set forth in this Agreement may be waived at any time prior to or at the Closing hereunder by the party entitled to the benefit thereof. The failure of any party hereto to enforce at any time any of the provisions of this Agreement shall in no way be construed to be a waiver of any such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of such party thereafter to enforce each and every such provision. No waiver of any breach of or non-compliance with this Agreement shall be held to be a waiver of any other or subsequent breach or non-compliance. Whenever this Agreement requires or permits consent by or on behalf of any party hereto, such consent shall be given in writing in a manner consistent with the requirements for a waiver of compliance as set forth in this Section 14.2.

14.3 Benefit; Assignment. This Agreement shall be binding upon and inure to the benefit of Buyer and Sellers and their respective successors and permitted assigns. No party to this Agreement may, directly or indirectly, by merger, operation of law, or otherwise, assign either this Agreement or any of its rights, interests or obligations under this Agreement without the prior written consent of the other party; provided, however, that Buyer may, without Sellers' consent, upon prior written notice to Sellers (i) assign this Agreement to any FCC qualified Affiliate of Buyer so long as

such assignment does not delay the filing of the Assignment Application and the receipt of the FCC Consent and provided that Buyer is not released from its obligations under this Agreement or (ii) upon the consummation of the Closing, collaterally assign its rights under this Agreement at Closing to any of Buyer's financing sources. No assignment under this Agreement shall act as a novation and the assigning party shall not be released from, and shall remain fully liable for, all of its obligations and liabilities under this Agreement. Any assignment in violation of this Agreement shall be null and void *ab initio*.

14.4 Notices. All communications, notices, demands and requests required or permitted to be given under the provisions of this Agreement shall be (i) in writing, (ii) sent by confirmed facsimile (with receipt personally confirmed by telephone), delivered by personal delivery or sent by commercial delivery service or certified mail, return receipt requested, (iii) deemed to have been given on the date sent by facsimile if sent on a Business Day before 5:00 p.m. local time of the recipient, and if not then on the next Business Day immediately following, with receipt confirmed, on the date of personal delivery or the date set forth in the records of the delivery service or on the return receipt, and (iv) addressed as follows, unless and until either of such parties notifies the other in accordance with this Section 14.4 of a change of address or change of facsimile number:

14.7 Severability. If any provision of this Agreement or the application thereof to any Person or circumstance shall be invalid, illegal or unenforceable to any extent, the remainder of this Agreement and the application of such provision to other Persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by applicable law so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the greatest extent possible.

14.8 No Reliance. Except as expressly set forth in this Agreement (including Section 14.3), (i) no Person other than the parties hereto, the Buyer Indemnified Parties and the Seller Indemnified Parties is entitled to rely on any of the representations, warranties, covenants, agreements, rights or remedies of Buyer or the Piedmont Companies under or by virtue of this Agreement and (ii) Buyer and the Piedmont Companies assume no liability to any such Person because of any reliance on the representations, warranties, agreements, rights or remedies of Buyer or the Piedmont Companies under or by virtue of this Agreement.

14.9 Governing Law. This Agreement shall be governed, construed and enforced in accordance with the laws of the State of Delaware applicable to contracts made and performed in that State without giving effect to any choice or conflict of law principle, provision or rule (whether the State of Delaware or any other jurisdiction), including all matters of construction, interpretation, validity and performance.

14.10 Consent to Jurisdiction and Service of Process. **EACH PARTY HEREBY CONSENTS AND AGREES THAT THE STATE OR FEDERAL COURTS LOCATED IN THE STATE OF DELAWARE SHALL HAVE EXCLUSIVE JURISDICTION TO HEAR AND DETERMINE ANY CLAIMS OR DISPUTES BETWEEN THE PARTIES PERTAINING TO THIS AGREEMENT OR TO ANY MATTER ARISING OUT OF OR RELATING TO THIS AGREEMENT. EACH PARTY EXPRESSLY SUBMITS AND CONSENTS IN ADVANCE TO SUCH JURISDICTION IN ANY ACTION OR SUIT COMMENCED IN ANY SUCH COURT, AND EACH PARTY HEREBY WAIVES ANY OBJECTION THAT SUCH PARTY MAY HAVE BASED UPON LACK OF PERSONAL JURISDICTION, IMPROPER VENUE OR FORUM NON CONVENIENS AND HEREBY CONSENTS TO THE GRANTING OF SUCH LEGAL OR EQUITABLE RELIEF AS IS DEEMED APPROPRIATE BY SUCH COURT. EACH PARTY HEREBY WAIVES PERSONAL SERVICE OF THE SUMMONS, COMPLAINT AND OTHER PROCESS ISSUED IN ANY SUCH ACTION OR SUIT AND AGREES THAT SERVICE OF SUCH SUMMONS, COMPLAINTS AND OTHER PROCESS MAY BE MADE BY REGISTERED OR CERTIFIED MAIL ADDRESSED TO SUCH PARTY AT THE ADDRESS SET FORTH IN SECTION 14.4 OF THIS AGREEMENT AND THAT SERVICE SO MADE SHALL BE DEEMED COMPLETED UPON THE EARLIER OF SUCH PARTY'S ACTUAL RECEIPT THEREOF OR THREE (3) DAYS AFTER DEPOSIT IN THE UNITED STATES MAIL, PROPER POSTAGE PREPAID.**

14.11 No Strict Construction. The language used in this Agreement shall be deemed to be the language chosen by the parties to express their mutual intent. In the event an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the parties, and no presumption or burden of proof will arise favoring or disfavoring any Person by virtue of the authorship of any of the provisions of this Agreement.
