

**REGARDING THE ANTI-DRUG ABUSE ACT CERTIFICATION**

Pursuant to court orders that are the subject of applications on FCC Form 316 seeking the FCC's consent to an involuntary transfer of control (*see* FCC File Nos. BTC-20020912BD through BTC-20020912BP), Anthony Schnelling, whose name appears in the Assignor's signature section, is serving as a Bankruptcy Administrative Officer and has assumed control of the licensee. Question 9 of the Assignor's portion of the Application is being answered in the affirmative based on certifications the licensee has made in previous FCC filings to the effect that that neither it nor any party to the application had been subject to denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. Section 862. To the best of Mr. Schnelling's knowledge, based on the information that has come to Mr. Schnelling's attention during the course of the licensee's bankruptcy proceedings, there have not been any changes in the information that was previously provided to the Commission.
