

**Station Educational Program Description for LPFM application of Calvary Chapel of Hayward,
Incorporated in the State of California June 3rd 2005**

1. Locally produced Public Affairs programming, seeking the participation of local agencies of the State of California, City and County governments, including providing the station as an emergency communication tool for Police, Fire and other emergency service providers. Provide an informational outlet for non-profit public service organizations and educational institutions.
2. To train people in radio audio production, station management, and community needs ascertainment. We will welcome interns from local educational institutions, including, but not limited to University of California East Bay and Chabot Junior College (both Hayward, California).
3. We will produce programming to aid in communication between the diverse ethnic groups within our coverage area.
4. We will produce programs to address issues in the news that affect people in the communities we serve.
