

MULTIPLE OWNERSHIP RULE COMPLIANCE SHOWING

Herein, Bustos Media Holdings, LLC (Bustos) seeks FCC consent to acquire FM Broadcast Station KRCW, Channel 242C2, 96.3 MHz, Royal City, Washington, currently licensed to Farmworker Educational Radio Network, Inc.

As is shown on the attached map, KRCW(FM) has city-grade contour overlap with two FM Broadcast Stations currently licensed to Bustos: KZUS(FM), Channel 222C2, 92.3 MHz, Ephrata, Washington; and KZML(FM), Channel 240C2, 95.9 MHz, Quincy, Washington.

Royal City is located in Grant County, Washington, currently outside all Nielsen defined radio metro markets. Therefore, the relevant market is defined by the areas within the respective city-grade contours of KRCW, KZUS and KZML.

The FCC's AM Query and FM Query utilities reveal that there are twenty primary broadcast stations licensed to competing broadcasters with transmitter sites located within 40 km (approximately 25 miles) of the transmitter sites of one or more of KRCW, KZUS and/or KZML, all of which are Class C2 facilities. Therefore, these twenty stations necessarily have city-grade contour overlap with one or more of KRCW, KZUS and/or KZML.

Here is a table showing said twenty stations:

Call Letters	Frequency	Service	City (all WA)	Licensee
KULE	730 kHz	AM	Ephrata	Centro Familiar Cristiano
KTBI	810 kHz	AM	Ephrata	Tacoma Broadcasters, Incorporated
KWIK	1020 kHz	AM	Moses Lake North	Alpha Media Licensee, LLC
KYSF	1340 kHz	AM	Wenatchee	CCR-Wenatchee IV, LLC
KWNC	1370 kHz	AM	Quincy	CCR-Westcoast IV, LLC
KBSC	1400 kHz	AM	Othello	Centro Familiar Cristiano
KBSW	1470 kHz	AM	Moses Lake	KSEM, Inc.
KLUW	88.1 MHz	FM	East Wenatchee	Educational Media Foundation
KMLW	88.3 MHz	FM	Moses Lake	The Moody Bible Institute of Chicago
KDMB	88.7 MHz	FM	Moses Lake	Divine Mercy Broadcasting, Inc.
KPLW	89.9 MHz	FM	Wenatchee	Growing Christian Foundation
KLWS	91.5 MHz	FM	Moses Lake	Washington State University
KWDR	93.5 MHz	FM	Royal City	Jacobs Radio Programming, LLC
KTAC	93.9 MHz	FM	Ephrata	Tacoma Broadcasters, Incorporated
KWWW-FM	96.7 MHz	FM	Quincy	CCR-Wenatchee IV, LLC
KYSN	97.7 MHz	FM	East Wenatchee	CCR-Wenatchee IV, LLC
KDRW	99.3 MHz	FM	Moses Lake	KSEM, Inc.
KQBG	99.5 MHz	FM	Rock Island	CCR-Wenatchee IV, LLC
KWIK-FM	100.5 MHz	FM	Moses Lake	Alpha Media Licensee, LLC
KKRV	104.7 MHz	FM	Wenatchee	Alpha Media Licensee, LLC

Pursuant to 47 C.F.R. §73.3555(a)(1)(iii), a given party operating in a radio market with between 15 and 29 (inclusive) full-power, commercial and noncommercial radio stations, may not own more than 6 commercial radio stations in total and not more than 4 commercial stations in the same service (AM or FM).

Therefore, Bustos Media Holdings, LLC may be licensee as many as four FM stations in the radio market defined by the city-grade contours of KRCW, KZUS and KZML. As it would be licensee of just three FM stations in this market, its acquisition of the license of KRCW as proposed in this application does not violate the FCC's multiple ownership rule, 47 C.F.R. §73.3555(a)(1)(iii).

It should be pointed out that there is no city-grade contour overlap between KRCW(FM) and any other Bustos station. Bustos is licensee of three FM stations in the Yakima, Washington radio market: KZTA(FM), Naches, Washington; KYXE(FM), Union Gap, Washington; and KMNA(FM), Mabton, Washington. Bustos is also licensee of three FM stations which serve portions of the Tri-Cities (Richland/Kennewick/Pasco), Washington radio market: KZXR-FM, Prosser, Washington; KMMG(FM), Benton City, Washington; and KZTB(FM), Milton-Freewater, Oregon. None of these stations have city-grade contour overlap with KRCW(FM).
