ID No. 183814) (also assigned the call sign K13AAR-D) (each a “Station” and collectively the “Stations”);

WHEREAS, Licensee and Programmer have entered into an Asset Purchase Agreement, as of the date hereof, as may be amended from time to time, related to, among other things, the sale and acquisition of the assets of the Stations (the “APA”), under which the Licensee and Programmer agreed to, among other things, enter into this Agreement;

WHEREAS, Programmer does not currently own or operate a broadcast television station in the television markets in which the Stations operate;

WHEREAS, Licensee desires to obtain certain programming for the Stations until the consummation of the transactions contemplated by the APA; and

WHEREAS, Programmer desires to provide certain programming for broadcast on the Stations on the terms set forth in this Agreement.

NOW, THEREFORE, taking the foregoing recitals into account, and in consideration of the mutual covenants and agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows:

1. Term. The term of this Agreement (the “Term”) will begin on the LMA Effective Date (as defined in the APA) (the “Commencement Date”) and will continue until the date one year thereafter, unless earlier terminated in accordance with the terms of this Agreement (or extended by mutual written agreement).

2. Programming. During the Term, Licensee shall make available to Programmer all of the airtime on the Stations (including the primary and all secondary program streams and ancillary uses) for programming provided by Programmer (the “Programs”) for broadcast on the Stations twenty-four (24) hours per day, seven (7) days per week, excluding at Licensee’s option the period from 6:00 a.m. to 8:00 a.m. each Sunday morning (the “Broadcasting Period”). Without limiting the foregoing, but subject to the Broadcasting Period, Programmer is entitled to use all of the Stations’ digital transmission capacity. During the Term, Programmer will transmit, at Programmer’s expense, the Programs to the Stations’ transmitting facilities in a manner that ensures that the Programs meet technical and quality standards at least equal to those of the Stations’ broadcast prior to the Commencement Date, and Licensee shall broadcast the Programs on the Stations, subject to the provisions of Section 5 below. Notwithstanding anything herein to

the contrary, the Stations shall continue to broadcast any programming required to be aired under the terms of their existing affiliation, syndication and other contracts.

3. Advertising and Retransmission Consent. Licensee shall retain all of the Stations' accounts receivable existing on the Commencement Date. During the Term, Programmer will be exclusively responsible for the sale of advertising on the Stations and for the collection of accounts receivable arising therefrom, and Programmer shall be entitled to all revenue of the Stations (including without limitation from the Stations' websites, tower income and ancillary revenue). During the Term, Licensee shall not sell any advertising on the Stations, except as provided by Section 6(b). Programmer shall negotiate and act as Licensee's agent with respect to the negotiation of retransmission consent agreements for the Stations, subject to Licensee's authorization, and the ultimate approval, execution and delivery of any retransmission consent or other distribution agreement by Licensee in its sole discretion.

4. Payments. For the broadcast of the Programs and the other benefits made available to Programmer pursuant to this Agreement, during the Term, Programmer will pay Licensee as set forth on **SCHEDULE A** attached hereto. To the extent reasonably necessary to perform this Agreement, during the Term, Licensee shall provide Programmer with the benefits of any of the Stations' contracts and agreements (including without limitation the Stations' affiliation and syndication agreements) and Programmer shall perform the obligations of Licensee thereunder, to the extent of the benefits received.

5. Control.

(a) Notwithstanding anything to the contrary in this Agreement, Licensee shall have full authority, power and control over the operation of the Stations and over all persons working at the Stations during the Term. Licensee shall bear responsibility for the Stations' compliance with the rules, regulations and policies of the FCC and all other applicable laws. Programmer shall provide regular reports to Licensee concerning the programs and operations of the Stations and shall consult, no less than once each month, concerning issues and programming to be broadcast on the stations, and shall consult with Licensee regarding any personnel decisions. Licensee will continue to employ personnel that will enable Licensee to exert its authority, power and control over the operation of the Stations and over all persons working at the Stations during the Term.

(b) Nothing contained herein shall prevent Licensee from (i) rejecting or refusing programs which Licensee believes to be unsatisfactory, unsuitable, or contrary to the public interest, or (ii) substituting programs which Licensee believes to be of greater local or national importance or which are designed to address the problems, needs and interests of the local communities served by the Stations. Licensee reserves the right to (i) refuse to broadcast any Program containing matter which violates any right of any third party, which constitutes a personal attack, or which does not meet the requirements of the rules, regulations, and policies of the FCC, (ii) preempt any Program in the event of a local, state, or national emergency, or (iii) delete any commercial announcements that do not comply with the requirements of the FCC's sponsorship identification policy. If Licensee preempts, rejects or otherwise refuses to broadcast any Program, then Licensee shall endeavor (but shall not be obligated) to broadcast substitute programming of reasonably equal or greater value to Programmer.

(c) Programmer shall cooperate with Licensee to ensure that EAS transmissions are properly performed in accordance with Licensee's instructions. Each party shall deliver to the other a copy of any letters of complaint it receives with respect to the Stations and Licensee shall include such letters in the Stations' public inspection file as required.

6. Programs.

(a) Programmer shall ensure that the contents of the Programs conform to all FCC rules, regulations and policies in all material respects. Programmer shall consult with Licensee in the selection of the Programs to ensure that the Programs' content contains matters responsive to issues of public concern in the local communities, as those issues are made known to Programmer by Licensee. Licensee acknowledges that its right to broadcast the Programs is non-exclusive and that ownership of or license rights in the Programs shall be and remain vested in Programmer. On or before January 7, April 7, July 7 and October 7 of each year during the Term, Programmer shall provide Licensee with pertinent information regarding Programs which addressed significant community issues during the preceding quarter and the specific Programs which addressed such issues for inclusion in the Stations' quarterly issues-programs reports. On or before January 7, April 7, July 7 and October 7 of each year during the Term, Programmer shall provide Licensee with pertinent information regarding such Programs serving the needs of children for inclusion in the Stations' quarterly reports on service to children.

(b) Licensee shall oversee and take ultimate responsibility with respect to the provision of equal opportunities, lowest unit charge, and reasonable access to political candidates, and compliance with the political broadcast rules of the FCC. During the Term, Programmer shall cooperate with Licensee as Licensee complies with its political broadcast responsibilities, and shall supply such information promptly to Licensee as may be necessary to comply with the political broadcasting provisions of the FCC's rules, the Communications Act of 1934, as amended, and federal election laws (collectively, "Election Laws"). Notwithstanding the foregoing, Programmer represents, warrants, and covenants that any advertising time it sells to political candidates shall comply with the Election Laws. Programmer shall release advertising availabilities to Licensee during the Broadcasting Period as necessary to permit Licensee to comply with the political broadcast rules of the FCC; provided, however, that revenue received by Licensee as a result of any such release of advertising time shall promptly be remitted to Programmer.

(c) During the Term, Licensee will maintain music licenses with respect to the Stations. All fees for music licenses during the Term shall be reimbursed by Programmer.

7. Expenses. Subject to Section 4, Licensee will pay for all operating costs required to be paid to maintain the Stations' broadcast operations in accordance with FCC rules and policies and applicable law, and all utilities supplied to its main studio and transmitter sites. Programmer shall be responsible for (i) the salaries, taxes, insurance and related costs for all personnel used in the production of the Programs supplied to Licensee and (ii) the costs of delivering the Programs to Licensee.

8. Call Signs. During the Term, Licensee will retain all rights to the call letters of the Stations or any other call letters that may be assigned by the FCC for use by the Stations, and

will supervise Programmer to ensure that proper Stations identification announcements are made with such call letters in accordance with FCC rules and regulations. Programmer shall include in the Programs an announcement at the beginning of each hour of such Programs to identify such call letters, as well as any other announcements required by the rules and regulations of the FCC. Programmer is authorized to use such call letters in its Programs and in any promotional material in any media used in connection with the Programs.

9. Maintenance. During the Term, Licensee shall maintain the operating power of the Stations in accordance with the Stations' FCC authorizations and shall repair and maintain the Stations' towers and transmitter sites and equipment that are owned by Licensee in reasonable operating condition (ordinary wear and tear excepted). During the Term, subject to the APA, Programmer shall repair and maintain the Stations' towers and transmitter sites and equipment that are owned by Programmer in reasonable operating condition (ordinary wear and tear excepted), and be responsible for any required replacements of such equipment. Programmer shall provide Licensee with assistance reasonably requested by Licensee in connection with the foregoing obligation.

10. Facilities. During the Term, subject to any necessary landlord consent, Licensee shall provide Programmer with access to and use of any of Licensee's equipment and facilities used by the Stations for purposes of performing this Agreement, and Programmer shall provide Licensee with access to and use of any of Programmer's equipment and facilities used by the Stations for purposes of performing this Agreement and its obligations as FCC licensee of the Stations. When on Licensee's premises, Programmer shall not act contrary to the terms of any lease for such premises, permit to exist any lien, claim or encumbrance on the premises, or unreasonably interfere with the business and operation of Licensee's use of such premises, and shall comply in all material respects with all laws applicable to such premises. When on Programmer's premises, Licensee shall not act contrary to the terms of any lease for such premises, permit to exist any lien, claim or encumbrance on the premises, or unreasonably interfere with the business and operation of Programmer's use of such premises, and shall comply in all material respects with all laws applicable to such premises. Programmer shall obtain insurance with respect to the Stations and its assets and Licensee and its affiliates shall be added as additional insureds to Programmer's policies.

12. Termination. This Agreement shall terminate automatically upon the consummation of Programmer's acquisition of the Stations pursuant to the Second Closing specified in the APA. This Agreement may be terminated by either party by written notice to the other in the event of any expiration or termination of the APA.

13. Events of Default.

(a) The occurrence of any of the following will be deemed an Event of Default by Programmer under this Agreement: (i) Programmer fails to timely make any payment required under this Agreement; (ii) Programmer fails to observe or perform any other obligation contained in this Agreement in any material respect; or (iii) Programmer breaches any representation or warranty made by it under this Agreement in any material respect.

Upon the occurrence of an Event of Default, and in the absence of a timely cure pursuant to this Section, the non-defaulting party may terminate this Agreement, effective immediately upon written notice to the defaulting party. Failure of Licensee to broadcast the Programs due to facility maintenance, repair or modification or due to any reason outside of Licensee's reasonable control shall not constitute an Event of Default by Licensee hereunder.

14. Indemnification. Programmer shall indemnify and hold Licensee harmless against any and all liability arising from (a) the broadcast of the Programs and any advertising or other content provided by Programmer on the Stations, including without limitation all liability for indecency, libel, slander, illegal competition or trade practice, infringement of trademarks, trade names, or program titles, violation of rights of privacy, and infringement of copyrights and proprietary rights or any other violation of third party rights or FCC rules or other applicable law or (b) any Event of Default by Programmer under this Agreement. The obligations under this Section shall survive any termination of this Agreement.

15. Assignment. Neither party may assign this Agreement without the prior written consent of the other party hereto; provided, that Programmer may collaterally assign this Agreement to its lenders. The terms of this Agreement shall bind and inure to the benefit of the parties' respective successors and any permitted assigns, and no assignment shall relieve any party of any obligation or liability under this Agreement. Nothing in this Agreement expressed or implied is intended or shall be construed to give any rights to any person or entity other than the parties hereto and their successors and permitted assigns.

16. Severability. If any court or governmental authority holds any provision in this Agreement invalid, illegal, or unenforceable under any applicable law, then so long as no party is deprived of the benefits of this Agreement in any material respect, this Agreement shall be construed with the invalid, illegal or unenforceable provision deleted and the validity, legality and enforceability of the remaining provisions contained herein shall not be affected or impaired thereby. The obligations of the parties under this Agreement are subject to the rules, regulations and policies of the FCC and all other applicable laws. The parties agree that Licensee may file a copy of this Agreement with the FCC, and that Licensee shall place a copy of this Agreement in the Stations' public inspection file.
