Request for Extension of Special Temporary
Authority to Remain Silent

Dear Mr. Fitch:

This letter concerns the request you filed on July 30, 2014, on behalf of Radio Training Network, Inc. ("RTN"), for extension of Special Temporary Authority to permit FM Translator Station W236CA to remain silent.

Commission records reflect that RTN stated that Station W236CA went silent on October 31, 2013, for technical reasons. The previous STA was granted on February 10, 2014, and expired on August 9, 2014. RTN requests extension of its STA for continuing technical reasons. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

RTN's request is granted. Accordingly, Special Temporary Authority is granted to permit Station W236CA to remain silent until October 31, 2014. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station W236CA will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., September 1, 2014.¹** See Section 312(g) of the Communications Act, 47 U.S.C. § 312(g).

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. See 47 C.F.R. §§ 17.6 and 73.1740(a)(4).

Sincerely,

Lisa Scanlan
Assistant Chief, Audio Division
Media Bureau
