

**Application for Assignment of Licenses  
To Mapleton Communications, LLC (FCC Form 314)  
Assignee's Section III, Item 6(b)  
Exhibit 15**

**MULTIPLE OWNERSHIP SHOWING**

In the present application, Mapleton proposes to acquire the licenses for KWSZ(FM), Lompoc, CA. The KWSZ(FM) contour does not overlap the principal community contour of any existing Mapleton station. In a separate application, Mapleton also proposes to acquire the licenses for KTME(AM), Lompoc, CA and KUHL(AM), Santa Maria, CA. The KWSZ(FM) principal community contour overlaps those of KTME and KUHL in separate locations, creating two separate AM/FM combinations, which are permitted in any market under the Commission's local ownership rules. An engineering statement demonstrating compliance with those rules is attached hereto.

Pursuant to a Local Marketing Agreement submitted with this application, Mapleton brokers more than 15% of the weekly hours on KWSZ(FM). In addition, Mapleton holds debt in Coast West Broadcasting, the proposed assignor of KWSZ(FM), which would constitute an attributable "interest in" KWSZ(FM) under the equity/debt plus rule in the event that Mapleton acquired KTME(AM) or KUHL(AM) before acquiring KWSZ(FM).
