

Exhibit 9 Engineer's Affidavit

Neal S. Newman

274 Matchaponix Avenue
Monroe Township, NJ 08831

July 31, 2018

Engineering Certification for Directional Antenna at WYGG
Radio at Asbury Park, New Jersey BPED-20150708ABV

I have supervised the Installation of the Directional
Propagation Systems Inc.(PSI) antenna model PSIFLV-2A-DA
As per the manufacturer's instructions.

I have reviewed its correct Orientation with a Qualified
And licensed Surveyor and rigging crew experienced in alignment
of directional broadcast and communications antennas.

I have served as a broadcast engineer for 19 years and assisted
In supervising the installation of directional FM antennas at 3
full call letter stations.

My experience includes installing a number of antennas by this
particular manufacturer, as well as SWR and ERI.

I have been contracted by the Construction Permit Holder
As RF engineer for 12 years

I hold the Current FCC issued licenses as Follows:

GMRS WQYS946

Amateur KA2CAF(Advanced)

Amateur W2CJA (Club Trustee)
