RE: WJJZ (FM) Irasburg, Vermont (Antenna Located at 811 Guyette Road, Irasburg, Vermont)

Dear Secretary:

I hereby certify that I am a Land Surveyor, Licensed by the State of Vermont, and that I personally inspected the installation of the WJJZ (FM) directional antenna and found it to be aligned within one (1) degree, plus or minus, of the Azimuth of 175 Degrees, referenced to True North, as specified by the antenna manufacturer.

Sincerely,

Lawrence P. Brow, RLS #522
