Gentlemen:

This refers to your attorney's letter dated March 6, 2015 requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that a transmitter tube failed resulting in KDVR-TV operating at approximately sixty six percent (66%) of its authorized power. You state that reduced power operations will continue to be necessary while the applicant is trying to replace the equipment and restore full power operation.

In light of the above, special temporary authority pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules until September 17, 2015 IS GRANTED.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with the first name "Kevin" and last name "Harding" clearly legible.
