

**Radio License Holding III, LLC,
a subsidiary of Citadel Broadcasting**

12/30/2009

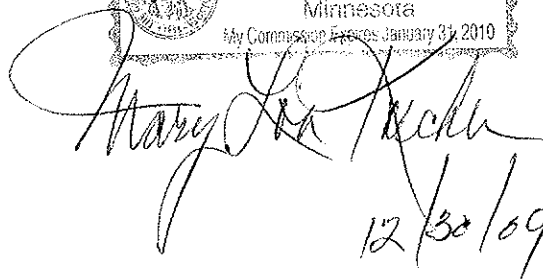

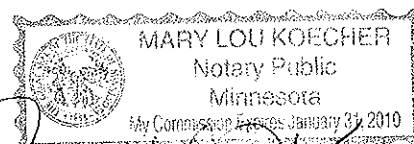

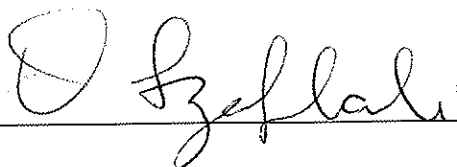

Regarding; WGVZ, Facility ID 61541

Permit File Number- BXPB-20090302AEF

I have observed the installation of the signage posted for the WGVZ antenna site. I do certify that the RF NOTICE signs are installed on each of the stanchions as described in the RF Safety Report, dated October 12th, 2009, provided by RF Safety Solutions.

I am a full time engineer with Citadel Broadcasting and have 20 years of experience in broadcast engineering.

David Szaflarski
