## Outlying Towns

[Bar Nunn](#)   [Mills](#)   [Evansville](#)

### Bar Nunn

Bar Nunn's estimated 936 residents live about five miles northwest of Casper. The town was incorporated in 1982, and is governed by an elected mayor and four elected town council members. The appointed Parks and Recreation Committee and Zoning and Planning Commission assist in the planning and beautification of the community. The town has four full-time employees.

Law enforcement for the Town of Bar Nunn is provided by a resident deputy through contact with the Natrona County Sheriff's Department. Building and safety code enforcement are provided under contract with the City of Casper. Trash collection is contracted out, with the Town collecting residents' payments.

All Bar Nunn residents are connected to the City of Casper regional water project, billed by Wardwell Water and Sewer District. All homes in Bar Nunn are connected to the Bar Nunn waste water system, which empties into the City of Casper's 201 line for transport to Casper for processing. Most homes are all electric with options for natural gas service. The newest housing development in Bar Nunn, the McMurry #1 Addition is connected to natural gas. This subdivision offers fairly affordable homes.

Bar Nunn is growing, offering its residents quality licensed daycare facilities, an elementary school (preschool through sixth grade), a top-rated volunteer fire department and three beautifully landscaped and maintained parks. Bar Nunn is a Tree City USA community and has a newly constructed Baptist church. The KOA Campground operates a 3-hole miniature golf course and an indoor pool, which are available to town residents as well as to KOA visitors. Most of the town's residents stake their claims in Bar Nunn several years ago, but there's plenty of room for you, too! Many available Bar Nunn building lots are 100x150, and the McMurry #1 Addition's lots average 80x110.

Bar Nunn's residents have the best of two worlds: a quiet, scenic, landscaped community with access to top-notch shopping and restaurants only minutes away.

[Top of Page](#)

### Mills

The Town of Mills began as a home for men who worked at the old Amoco Refinery in 1917 and was incorporated in 1921. With 2,500 people and a significant portion of the industry in Natrona County, the town today provides a good place for people to work and a good place to live, where the residents have easy access to the town council, have control over their own water and can find affordable housing.

The town has reconstructed all of its streets in the past twenty years using sales tax receipt and grants. With no assessment for the water system, rates are the lowest in the county. There is a new town maintenance shop and new fire hall for the volunteer fire department. The residents are proud to have their own post office and zip code. While the major education, entertainment and shopping facilities are in Casper, Mills residents have benefited from recent growth in Natrona County.

Mills has grown significantly in population in the last ten years. The town grew by 500 house lots and 750 people in 1997 through the annexation of portions of the Mountain View businesses and residential areas annexing allowing for affordable utilities.

Take a look at Mills, a good place to live and work. Contact the Town Clerk, or the Mayor at 307-234-6679 with any questions you may have about living or working in Mills. We welcome you.

[Top of Page](#)

### Evansville

The town of Evansville (population 2,255; Census 2000) sits directly northeast of the city of Casper, enjoying the benefits of both small-town living at home and access to big city amenities. A May 15, 1923 election incorporated the town.
