RE: Tower Site: 14980 London Road
Orient, OH 43146

To Whom it May Concern:

This is to certify that Bemba K. Jones, PS, a Ohio State Professional Land Surveyor (PLS – 7343) visited the WWGV radio tower (NAD 83 coordinates of 39-43-16/83-08-36) located at 14980 London Road, Orient, OH 43146 and verified that the antenna was oriented to azimuth of 38 degrees from a True Meridian as determined by field observation of existing tower.

Sincerely,
XYZ SURVEY SERVICE, LTD
