

Description of Transaction

By this application, the parties seek the Federal Communications Commission's ("FCC's") consent to the assignment of the license for television broadcast station KASW(TV), Phoenix, Arizona (Facility ID No. 7143) from Sander Operating Co. II LLC (d/b/a KTVK Television) ("Sander Phoenix") to SagamoreHill of Phoenix Licenses, LLC ("SagamoreHill").

On December 23, 2013, Gannett Co., Inc. ("Gannett") and Meredith Corporation ("Meredith") entered into an Asset Purchase Agreement (the "Agreement") pursuant to which Meredith agrees that it and its assignee would purchase the FCC licenses and other assets of the following full-power television broadcast stations (the "Stations"), including related translator and non-broadcast licenses:

KTVK(TV), Phoenix, Arizona; and
KASW(TV), Phoenix, Arizona.

Gannett and Sander Holdings Co. LLC ("Sander"), parent of Sander Phoenix, are parties to an Option Agreement dated as of November 14, 2013 and an Option Exercise Agreement dated as of December 23, 2013, pursuant to which Gannett has the right to acquire the licenses and other assets of the Stations held by Sander and its affiliates. On December 23, 2013, Gannett exercised its option and has directed Sander and its affiliates to assign such licenses and other assets to Meredith and its assignee at the closing of the transactions described in the Agreement, following receipt of FCC consent. This application is one of two applications for assignment of license on Form 314 filed for consent to these transactions.

Meredith has assigned its rights under the Agreement for the purchase of the KASW(TV) licenses and certain other assets of KASW(TV) to SagamoreHill of Phoenix, LLC ("SagamoreHill Parent"), the sole member of SagamoreHill, pursuant to an Assignment and Assumption Agreement and a Transaction Agreement, each dated as of December 23, 2013. SagamoreHill Parent will assign such rights to SagamoreHill, a wholly-owned subsidiary of SagamoreHill Parent, in connection with the closing of the transactions described in the Agreement.¹ SagamoreHill Parent is not affiliated with Meredith, and Meredith has no attributable interest in SagamoreHill Parent. Meredith and SagamoreHill Parent propose to enter into agreements pursuant to which Meredith will provide sales and other services to support SagamoreHill's operation of television station KASW(TV). Redacted forms of these agreements and an Option Agreement between Meredith and SagamoreHill Parent are attached to this application as exhibits to the Transaction Agreement. Unredacted copies of these exhibits will be submitted soon to the Media Bureau directly with a request for confidential treatment.

Pending Renewal Applications: Television station KASW(TV) is due to file an application for renewal of license by June 1, 2014. Accordingly, this statement is submitted in

¹ Meredith has assigned its rights under the Agreement for the purchase of KTVK(TV) to Meredith's affiliate KPHO Broadcasting Corporation ("Meredith Phoenix") and a separate application requesting consent to the assignment of the license of KTVK(TV) to Meredith Phoenix (the "KTVK Application") has been filed concurrently with this application. The parties respectfully request that this application and the KTVK Application be processed concurrently.

furtherance of the FCC's policy permitting processing of long-form applications for multiple station that involve a subset of stations with pending renewal applications where (1) no basic qualifications issues against the seller and buyer were raised or, if raised, were resolved favorably, and (2) the buyer explicitly assents to standing in the stead of the seller in any renewal proceeding that is pending at the time of consummation of the change of control. The parties hereby request that the FCC apply that policy in the event that the transactions described in this application have not been consummated by the date of the filing of the KASW(TV) renewal applications.²

In accordance with the FCC's requirements for applying its policy, SagamoreHill hereby agrees to succeed to the position of Sander Phoenix in any renewal applications pending for the stations subject to this application as of the consummation of the transaction described herein, consistent with the procedures set forth in *Shareholders of CBS Corporation*, 16 FCC Rcd 16072, 16072-73, para. 3 (2001) ("The Commission repeatedly has held that, in multi-station transactions, it will grant the transfer of control application while the renewal application is pending as long as there are no basic qualification issues pending against the transferor or transferee that could not be resolved in the context of the transfer proceeding, and the transferee explicitly assents to standing in the stead of the transferor in the pending renewal proceeding.").

Attachments. The Agreement, the Assignment and Assumption Agreement, and the Transaction Agreement are attached to this exhibit. As set forth above, certain exhibits to the Transaction Agreement have been submitted in redacted form, and unredacted copies of these exhibits will be submitted soon to the Media Bureau directly with a request for confidential treatment. SagamoreHill responds "no" to Section III, Question 3 because certain exhibits and schedules to the Agreement are not being submitted with this application pursuant to FCC policy and practice.³ The omitted exhibits and schedules, listed below, contain information that is proprietary, not germane to the FCC's evaluation of the application, or already in the FCC's possession. These materials will be provided to the FCC upon request.
