

**MULTIPLE OWNERSHIP COMPLIANCE**

LC Media LP (“LC Media”), seeks FCC consent to its acquisition of KDES-FM, Palm Springs, California, located in the Palm Springs, California Arbitron Radio Market. KDES-FM also holds a construction permit authorizing the station to change its community of license to Redlands, California and relocate its transmitter site, which would move the station into the Riverside-San Bernardino, California Arbitron Radio Market.

LC Media and the parties to the application do not own any broadcast stations in the Palm Springs, California Arbitron Radio Market or the Riverside-San Bernardino, California Arbitron Radio Market. *See Attachment A.* Therefore, KDES-FM will be the only attributable station located in either the Palm Springs, California Arbitron Market or the Riverside-San Bernardino California Arbitron Market.

The most recent available Arbitron data for the Palm Springs, California Arbitron Market demonstrates that there are 26 commercial and noncommercial radio stations in the market. *See the BIA FCC Geographic Market Definition for Palm Springs, attached hereto.* Under the Commission’s multiple ownership rules, in a radio market with between 15 and 29 commercial and noncommercial radio stations, an entity may own, operate, and control up to six radio stations, no more than four of which can be in same class. 47 C.F.R. § 73.3555(a)(1)(iii). Accordingly, LC Media’s ownership of one FM station in the Palm Springs market complies with the multiple ownership rules.

Additionally, the most recent available Arbitron data for the Riverside-San Bernardino, California Arbitron Market demonstrates that there are 34 commercial and noncommercial radio stations in the market. *See the BIA FCC Geographic Market Definition for Riverside-San Bernardino, attached hereto.* Under the Commission’s multiple ownership rules, in a radio market with between 30 and 44 commercial and noncommercial radio stations, an entity may own, operate, and control up to seven radio stations, no more than four of which can be in same class. 47 C.F.R. § 73.3555(a)(1)(iii). Accordingly, LC Media’s ownership of one FM station in the Riverside-San Bernardino market complies with the multiple ownership rules.
