**(Section III, Question 7)**

Telemundo of San Antonio License Corporation (“TSALC”) and Telemundo of Texas Partnership, LP (“TTPLP”) submit this application to request Commission consent to the assignment of the Commission authorizations held by TSALC, including the authorizations for Television Broadcast Station KVDA(TV)/-DT, San Antonio, Texas (the “Station”), from TSALC to TTPLP as part of a multi-step internal corporate reorganization. Because all of the voting and equity interests in both TSALC and TTPLP are directly or indirectly held by Telemundo Group, Inc. (“Telemundo”), the proposed assignment is *pro forma*. See FCC File No. BTTCT-20011101ACP/ABY/ACB.
