The grant of this application does not preclude stations WFMZ, Allentown, Pennsylvania, and WCMC-FM, Wildwood, New Jersey, being granted authority to operate with maximum Class B facilities (an effective radiated power of 50 kilowatts at an antenna height above average terrain of 500 feet).

This permit includes authority to change the antenna for your Auxiliary transmitter. You must file FCC Form 302, with a separate Section II for each transmitter, when construction is completed.
