**Re:   ACM JCE IV B LLC**

**WFTL(AM), West Palm Beach, FL, FAC ID: 29490**

Dear Ms. Dortch:

On behalf of ACM JCE IV B LLC (the "Licensee"), licensee of WFTL(AM), West Palm Beach, Florida, FAC ID 29490 (the "Station"), and pursuant to the Commission's recent grant of the Station's recently granted modified construction permit, FCC File No. BMP-20031024AAV (the "Construction Permit"), this letter seeks a 30-day extension of time to amend the Station's pending license to cover application, FCC File No. BL-20050104ABJ (the "License Application").

As the Commission is aware, the Construction Permit resolved certain overlap issues between the Station and WACC(AM), Hialeah, Florida, FAC ID 28874. The requested extension of time will allow the Licensee to undertake the necessary facility modification authorized under the Construction Permit, complete the requisite proof of performance and prepare an amendment to the License Application.

Accordingly, the Licensee respectfully requests an extension of time to file an amendment to and including May 10, 2016.

Please direct any communications regarding this matter to the undersigned.

Respectfully submitted,

  
Christine Reilly
