

FM Translator Station - Mayfield, Kentucky (Facility ID # 201095)

Applicant - Bristol Broadcasting Company, Inc.

Application for New FM Translator Station

Figure 1 - Rules Compliance Showing

The proposed New FM Translator will rebroadcast AM Station WNGO at Mayfield, Kentucky. The service contour of Translator Station with the proposed facilities will be 100% encompassed by the 2.0 mV/m contour of WNGO(AM). WNGO(AM) is owned by the applicant (Bristol Broadcasting Company, Inc.). Thus, the proposed FM Translator will be in compliance with the Commission's rules for a fill-in translator station.
